SPECIAL QUESTIONS (FOR GRADE 11, THE AGE OF DEEPENING) The book series is all about education in human sexuality, based on the nourishment and cultivation of the natural gift of a person's character. The series is based on the premise that SEXUALITY EDUCATION is, basically, CHARACTER EDUCATION, which in turn is founded on human dignity and encompasses formation in moral standards and human conduct; hence, covering the key elements of "life and love, and everything in between". Comprising an introductory volume for parents and teachers; a volume for classroom use of teachers; a volume for parents; and eight volumes for Grades 5 to 12, respectively, this current volume is specifically addressed to Grade 6 pupils, about 17 to 18 year olds in their late adolescence. It talks about SPECIAL QUESTIONS: on issues concerning life; sex; marriage; and human identity. Since men and women have been gifted with intellect and will, one becomes highly capable of using well or abusing these powers for the good or damage of self and fellowmen. It is thus extremely important that students at this age have a deep appreciation of the issues confronting the modern world, especially in the realm of sexuality and the channels of its development. The book series is characterized by sound, perennial concepts and by teaching and learning tools geared towards the age group being addressed. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject. This book introduces the basics of law in Papua New Guinea, and it targets upper secondary legal studies

teachers and students. Everyone in this country, including the educated, other than lawyers needs to know and understand our own laws. The National Education Department's motto is "Prosperity through self-reliance"; thus, this project is one out of many the department is yet to accomplish. No recommended text was available at the time when the new course, legal studies, was introduced in 2010 to be taught as an examinable subject. Newly elevated secondary schools in the country are facing reference material problem. The problem of rare stock of resource material is truly a considerable physical and psychological stress suffered by most teachers in the country. This book was written exactly in line with Upper Secondary Legal Studies syllabus as a text material to be used across the nation in all secondary schools in which Legal Studies course is offered. The subject itself is fundamentally interesting. I enjoyed teaching law for the last six years. I gained the insights of basic introductory law while in the process of teaching and writing this book. Hope you enjoy reading this book, "Introduction to Our Laws" and gain the insights of law.
