

Download File The First Assassin John J Miller Free Download Pdf

Our Oldest Enemy Sep 21 2019 Liberté? Egalité? Fraternité? Or just plain gall? In this provocative and brilliantly researched history of how the French have dealt with the United States, John J. Miller and Mark Molesky demonstrate that the cherished idea of French friendship has little basis in reality. Despite the myth of the "sister republics," the French have always been our rivals, and have harmed and obstructed our interests more often than not. This history of French hostility goes back to 1704, when a group of French and Indians massacred American settlers in Deerfield, Massachusetts. The authors also debunk the myth of French aid during the Revolution: contrary to popular notions, the French did not enter the war until very late and were mainly interested in hurting their rivals, the British. After the war, the French continued to see themselves as major players in the Western hemisphere and shaped their policies to limit the growth and power of the new nation. The notorious XYZ affair, involving French efforts to undermine the government of George Washington, led to an undeclared naval war with France in 1798. During the Civil War, the French supported the Confederacy and installed a puppet emperor in Mexico. In the twentieth century, Americans clashed with the French repeatedly. The French victory over President Wilson at Versailles imposed a short-sighted and punitive settlement on Germany that paved the way for the rise of fascism in the 1930s. During World War II, Vichy French troops killed hundreds of American soldiers in North Africa, and diehard French fascist units fought against the Allies in the rubble of Berlin. During the Cold War, Charles DeGaulle yanked France out of NATO and obstructed our efforts to roll back Soviet expansion. The legacy of French imperial power has been no less disastrous. The French left Haiti in a shambles, got us into Vietnam, and educated many of the world's worst tyrants at their elite universities, including Pol Pot, the genocidal Cambodian dictator. The fascist Baath regimes in Iraq and Syria are another legacy of failed French colonialism. Americans have been particularly irritated by French cultural arrogance—their crusades against American movies, McDonalds, Disney, and the exclusion of American words from their language have always rubbed us the wrong way. This irritation has now blossomed into outrage. Our Oldest Enemy shows why that outrage is justified.

JFK Assassination Feb 25 2020 At 12:30 p.m. CST on 22 November 1963, John F. Kennedy, the 35th president of the United States of America, was assassinated by a gunman as he rode through Dallas, Texas. The

presidential motorcade had been travelling through the city's business district when three shots were fired at his open-topped car, hitting him in the head and showering the rear interior of the limousine with fragments of skull, blood and brain matter. Accompanying the President in the car was his wife, Jacqueline; the governor of Texas, John Connally, and his wife, the first lady of Texas, Nellie Connally. John Connally was also shot and sustained life-threatening injuries, but survived. As the car sped away towards Parkland Memorial Hospital with the president's security detail in pursuit, both Governor Connally and his wife recalled hearing Jackie exclaim, 'they have killed my husband...I have his brains in my hands.' John F. Kennedy was declared dead at 1 p.m. CST.

Report of the President's Commission on the Assassination of President John F. Kennedy Sep 02 2020 President Lyndon B. Johnson appointed the President's Commission on the Assassination of President Kennedy, commonly called the Warren Commission, by Executive Order (E.O. 11130) on November 29, 1963. Its purpose was to investigate the assassination of President John Fitzgerald Kennedy on November 22, 1963, at Dallas, Texas. President Johnson directed the Commission to evaluate matters relating to the assassination and the subsequent killing of the alleged assassin, and to report its findings and conclusions to him. The following members served on the Commission: Earl Warren, Chief Justice of the United States, former Governor and attorney general of California, Chair; Richard B. Russell, Democratic Senator from Georgia and chairman of the Senate Armed Services Committee, former Governor of Georgia, and county attorney in that State; John Sherman Cooper, Republican Senator from Kentucky, former county and circuit judge in Kentucky, and United States Ambassador to India; Hale Boggs, Democratic Representative from Louisiana and majority whip in the House of Representatives; Gerald R. Ford, Republican Representative from Michigan and chairman of the House Republican Conference; Allen W. Dulles, lawyer and former Director of the Central Intelligence Agency; John J. McCloy, lawyer, former President of the International Bank for Reconstruction and Development, and former United States High Commissioner for Germany. On December 13, 1963, Congress passed Senate Joint Resolution 137 (Public Law 88-202) authorizing the Commission to subpoena witnesses and obtain evidence concerning any matter relating to the investigation. The resolution also gave the Commission the power to compel the testimony of witnesses by granting immunity from prosecution to witnesses testifying under compulsion. The Commission, however, did not grant immunity to any witness during the investigation. The Commission acted promptly to obtain a staff to meet its needs. J. Lee Rankin, former Solicitor General of the United States, was sworn in as general counsel for the Commission on December 16, 1963. He

was aided in his work by 14 assistant counsel who were divided into teams to deal with the various subject areas of the investigation. The Commission was also assisted by lawyers, Internal Revenue Service agents, a senior historian, an editor, and secretarial and administrative personnel who were assigned to the Commission by Federal agencies at its request. Officials and agencies of the state of Texas, as well as of the Federal Government, fully cooperated with the Commission on its work. From the first, the Commission considered its mandate to conduct a thorough and independent investigation. The Commission reviewed reports by the Federal Bureau of Investigation, Secret Service, Department of State, and the Attorney General of Texas, and then requested additional information from federal agencies, Congressional committees, and state and local experts. The Commission held hearings and took the testimony of 552 witnesses. On several occasions, the Commission went to Dallas to visit the scene of the assassination and other places. The Commission presented its Report, in which each member concurred, to the President on September 24, 1964. The publication of the Report was soon followed by the publication of the 26 volumes of the Commission's Hearings. The Commission then transferred its records to the National Archives to be permanently preserved under the rules and regulations of the National Archives and applicable federal law.

Investigation of the Assassination of President John F. Kennedy: The Warren Commission. CIA support to the Warren Commission. The Motorcade. Military investigation of the assassination. March 1979 Jan 18 2022

The Assassination of President Lincoln and the Trial of the Conspirators ... May 30 2020

Investigation of the Assassination of President John F. Kennedy Mar 08 2021
The First Assassin Dec 29 2022 Colonel Charles Rook strives to protect President Lincoln from an elusive assassin who has managed to slip into Washington D.C., and a runaway slave is the only person who knows the killer's identity.

The Curse of Cain Mar 28 2020 On April 14, 1865 John Wilkes Booth assassinated President Abraham Lincoln at Ford's Theater, or so the history books tell us ... but what if there was a second gunman who actually pulled the trigger? The Curse of Cain Like The Day of the Jackal, The Eagle has Landed, and The Key to Rebecca, The Curse of Cain is the cat and mouse story of a ruthless professional assassin hired to kill the Union President and the Confederate agent dispatched by Jefferson Davis to thwart his plan. Like Forsyth's Jackal, Follett's Needle, and Higgins's Devlin, the assassin-Basil Tarleton-is a charming agent of death. Jack Tanner-a Confederate era Jack Ryan, is willing to forego matters of the heart in order to carry out his mission and save the life of the President of an opposing nation. Set in the closing weeks of the Civil War and against the backdrop of the notorious

Lincoln conspiracy (and subsequent cover-up) as well as the actual Confederate intelligence network that existed in Washington, D.C. at the time, Powell and Meagher tell a heart-stopping tale of suspense and intrigue. This dangerous mission follows assassin and pursuer, as they close in on their targets in enemy territory where exposure means certain death. The Curse of Cain races to the page-turning climax on that fateful night at Ford's Theater. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Fifth Assassin Aug 01 2020 Archivist Beecher White, the hero of the #1 NYT bestselling Culper Ring series, discovers a killer in Washington, DC, who's meticulously re-creating history's four presidential assassinations. From John Wilkes Booth to Lee Harvey Oswald, there have been more than two dozen assassination attempts on the President of the United States. Four have been successful. Historians have branded them as four lone wolves. But what if they were wrong? Beecher is about to discover the truth: that during the course of a hundred years, all four assassins were secretly working together. What was their purpose? For whom do they really work? And why are they planning to kill the current President? Beecher's about to find out. And most terrifyingly, he's about to come face-to-face with the fifth assassin.

End of Days Sep 14 2021 In End of Days, James L. Swanson, the New York Times bestselling author of Manhunt: The 12-Day Chase for Lincoln's Killer, brings to life the minute-by-minute details of the JFK assassination—from the Kennedys' arrival in Texas through the shooting in Dealey Plaza and the shocking aftermath that continues to reverberate in our national consciousness fifty years later. The assassination of John F. Kennedy on November 22, 1963, has been the subject of enduring debate, speculation, and numerous conspiracy theories, but Swanson's absorbing and complete account follows the event hour-by-hour, from the moment Lee Harvey Oswald conceived of the crime three days before its execution, to his own murder two days later at a Dallas Police precinct at the hands of Jack Ruby, a two-bit nightclub owner. Based on sweeping research never before collected so powerfully in a single volume, and illustrated with photographs, End of Days distills Kennedy's assassination into a pulse-pounding thriller that is sure to become the definitive popular account of this historic crime for years to come.

Investigation of the Assassination of President John F. Kennedy: September 18, 19, 20, and 21, 1978 Oct 15 2021

Manhunt Aug 25 2022 The murder of Abraham Lincoln set off the greatest manhunt in American history -- the pursuit and capture of John Wilkes Booth. From April 14 to April 26, 1865, the assassin led Union cavalry and detectives on a wild twelve-day chase through the streets of Washington,

D.C., across the swamps of Maryland, and into the forests of Virginia, while the nation, still reeling from the just-ended Civil War, watched in horror and sadness. At the very center of this story is John Wilkes Booth, America's notorious villain. A Confederate sympathizer and a member of a celebrated acting family, Booth threw away his fame and wealth for a chance to avenge the South's defeat. For almost two weeks, he confounded the manhunters, slipping away from their every move and denying them the justice they sought. Based on rare archival materials, obscure trial transcripts, and Lincoln's own blood relics, Manhunt is a fully documented work, but it is also a fascinating tale of murder, intrigue, and betrayal. A gripping hour-by-hour account told through the eyes of the hunted and the hunters, this is history as you've never read it before.

Coup D'état in America Jun 30 2020 A documented presentation of the existing evidence concerning President John F. Kennedy's assassination indicates the involvement of the CIA and three convicted Watergate burglars Report of the President's Commission on the Assassination of President John F. Kennedy Feb 07 2021 Verslag van de presidentiële commissie belast met het onderzoek naar de moord op de Amerikaanse president John Fitzgerald Kennedy (1917-1963).

Booth Nov 16 2021 Best Book of the Year Real Simple • AARP • USA Today • NPR • Virginia Living Longlisted for the 2022 Booker Prize From the Man Booker finalist and bestselling author of We Are All Completely Beside Ourselves comes an epic and intimate novel about the family behind one of the most infamous figures in American history: John Wilkes Booth. In 1822, a secret family moves into a secret cabin some thirty miles northeast of Baltimore, to farm, to hide, and to bear ten children over the course of the next sixteen years. Junius Booth—breadwinner, celebrated Shakespearean actor, and master of the house in more ways than one—is at once a mesmerizing talent and a man of terrifying instability. One by one the children arrive, as year by year, the country draws frighteningly closer to the boiling point of secession and civil war. As the tenor of the world shifts, the Booths emerge from their hidden lives to cement their place as one of the country's leading theatrical families. But behind the curtains of the many stages they have graced, multiple scandals, family triumphs, and criminal disasters begin to take their toll, and the solemn siblings of John Wilkes Booth are left to reckon with the truth behind the destructively specious promise of an early prophecy. Booth is a startling portrait of a country in the throes of change and a vivid exploration of the ties that make, and break, a family.

The Big Scrum Sep 26 2022 John J. Miller delivers the intriguing, never-before-told story of how Theodore Roosevelt saved American Football—a game that would become the nation's most popular sport. Miller's sweeping,

novelistic retelling captures the violent, nearly lawless days of late 19th century football and the public outcry that would have ended the great game but for a crucial Presidential intervention. Teddy Roosevelt's championing of football led to the creation of the NCAA, the innovation of the forward pass, a vital collaboration between Walter Camp, Charles W. Eliot, John Heisman and others, and, ultimately, the creation of a new American pastime. Perfect for readers of Douglas Brinkley's *Wilderness Warrior*, Michael Lewis's *The Blind Side*, and Conn and Hal Iggulden's *The Dangerous Book for Boys*, Miller's *The Big Scrum* reclaims from the shadows of obscurity a remarkable story of one defining moment in our nation's history.

The Madman and the Assassin Jun 11 2021 As thoroughly examined as the Civil War and the assassination of Abraham Lincoln by John Wilkes Booth have been, virtually no attention has been paid to the life of the Union cavalryman who killed Booth, an odd character named Boston Corbett. The killing of Booth made Corbett an instant celebrity who became the object of fascination and of derision. Corbett was an English immigrant, a hatter by trade, who was likely poisoned by mercury. A devout Christian, he castrated himself so that his sexual urges would not distract him from serving God, which he did as a street evangelist and preacher. He was one of the first volunteers to join the US Army in the first days of the Civil War, a path that would in time land him in the notorious Andersonville prison camp. Eventually released in a prisoner exchange, he would end up in the squadron that cornered Booth in Virginia. *The Madman and the Assassin* is the first full-length biography of Boston Corbett, a man who was something of a prototypical modern American, thrust into the spotlight during a national news event. His story also encompasses tragedy—his wife died when he was young, and he struggled with poverty and his own mental health—as it weaves through some of the biggest events in nineteenth century America. Scott Martelle is a professional journalist and the author of *The Admiral and the Ambassador*, and *Detroit: A Biography*, and is an editorial writer for the Los Angeles Times.

Investigation of the Assassination of President John F. Kennedy Feb 19 2022
Assassination of Abraham Lincoln May 22 2022 For the first time in print, this 48 page book is the exciting account of Lt. Baker and the search for Lincoln's assassin, John Wilkes Booth. Baker was one of the leaders of the detachment which captured Booth. The book is a compilation of a lecture delivered by Baker in the late 1800s and is taken from an original copy in the possession of the Historical Society of Greater Lansing. It is transcribed and printed exactly as it was given. The book contains numerous pieces of period artwork depicting the search along with photographs of Lincoln, Booth and Baker and the horse, Buckskin

Assassination Science Aug 21 2019 If you have ever been tempted to believe that President Kennedy was killed by a lone, demented gunman named Lee Harvey Oswald, then Assassination Science is the one book which will convince you, beyond any reasonable doubt, that there was indeed a conspiracy and a cover-up. Completely lacking the wild speculation that have marred some books on the shooting of JFK, Assassination Science sticks to the hard facts, interpreted by medical and scientific expertise.

The Life and Death of James A. Garfield from the Tow Path to the White House Dec 05 2020

Manhunt Oct 27 2022 Soon to be an Apple TV Series "James Swanson has written a terrific narrative of the hunt for Lincoln's killers that will mesmerize the reader from start to finish just as the actual manhunt mesmerized the entire nation. It is a triumphant book."—Doris Kearns Goodwin The murder of Abraham Lincoln set off the greatest manhunt in American history--the pursuit and capture of John Wilkes Booth. From April 14 to April 26, 1865, the assassin led Union cavalry troops on a wild, 12-day chase from the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia, while the nation, still reeling from the just-ended Civil War, watched in horror and sadness. Based on rare archival materials, obscure trial transcripts, and Lincoln's own blood relics Manhunt is a fully documented, fascinating tale of murder, intrigue, and betrayal. A gripping hour-by-hour account told through the eyes of the hunted and the hunters, it is history as it's never been read before.

Lincoln's Assassin Oct 23 2019 In 1890, actor John Wilkes Booth - long presumed dead - emerged from twenty-five years of anonymity in his wilderness refuge to expose those truly responsible for the Lincoln assassination and its ensuing cover-up, to unite with the children he had never known and recover what he might of his sense of purpose and dignity. After shooting President Abraham Lincoln, Booth fled into the night, and government reports claimed he was killed twelve days later. But the man who was shot in the head and burned in a tobacco-shed fire before being covertly transported to Washington was never fully identified. Friends, as well as members of America's premier family of the theatre of which he was a member, were barred from even viewing the body, the only photograph taken of the corpse was never printed, and then lost, and a strangely ceremonious martial court presided over a secret burial. Rumour immediately began to circulate: Booth was still alive. In Lincoln's Assassin, Jeffrey Pennington presents Booth's own story of flight and return, detailing how another was shot in his place as he escaped to nominal freedom and obscurity, leaving behind all his personal belongings and the stage-life he once knew. The larger conspiracy in which he was embroiled is unpicked in stylish fashion, exploring the political landscape in which Lincoln lived and

died. Written in a confessional style, it aims to offer an insight into the true motivations at the heart of the Lincoln assassination, an event that continues to be the subject of much theorising and interest.

Silent Assassin Jul 24 2022 From a Black Ops veteran and author of *Termination Orders*, a military thriller featuring an unthinkable conspiracy from the deepest corridors of power. *Silent Assassin* Code named Cobra, former CIA agent Dan Morgan is pulled in when every other option has failed. His mission: find Nikolai Novokoff, a ruthless KGB officer turned international arms dealer. Locate the weapons of mass destruction that the rogue terrorist is threatening to unleash on the world. And terminate with extreme prejudice... In the world of clandestine ops, where the line between friends and enemies is constantly shifting, especially in the halls of Washington, Morgan must survive a merciless maze of deceit—and risk everything—to stop a madman. “*Silent Assassin* has everything a thriller reader wants.”—Ben Coes, national bestselling author of *The Last Refuge* “A terrifyingly thrilling story.”—Michele McPhee, author of *A Mob Story*

Lincoln's Assassin Apr 21 2022 In 1890, actor John Wilkes Booth long presumed dead emerged from twenty-five years of anonymity in his wilderness refuge to expose those truly responsible for the Lincoln assassination and its ensuing cover-up, to unite with the children he had never known and recover what he might of his sense of purpose and dignity. After shooting President Abraham Lincoln, Booth fled into the night, and government reports claimed he was killed twelve days later. But the man who was shot in the head and burned in a tobacco-shed fire before being covertly transported to Washington was never fully identified. Written in a confessional style, it aims to offer an insight into the true motivations at the heart of the Lincoln assassination, an event that continues to be the subject of much theorizing and interest.

The Last Assassin Jan 06 2021 Hoping to reconcile with the mother of his child, reluctant contract killer John Rain inadvertently places them in the path of dangerous enemies and is forced to recruit the help of his nemesis from the Japanese FBI and an ex-Marine sniper. Reprint.

Reclaiming History: The Assassination of President John F. Kennedy Jul 12 2021 An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.

Argentina Nov 04 2020 By the end of the twentieth century, Argentina's complex identity-tango and chimichurri, Eva Perón and the Mothers of the Plaza de Mayo, the Falklands and the Dirty War, Jorge Luis Borges and Maradona, economic chaos and a memory of vast wealth-has become entrenched in the consciousness of the Western world. In this wide-ranging and at times poetic new work, Amy K. Kaminsky explores Argentina's unique national identity and the place it holds in the minds of those who live beyond its physical borders. To analyze the country's meaning in the global imagination, Kaminsky probes Argentina's presence in a broad range of literary texts from the United States, Poland, England, Western Europe, and Argentina itself, as well as internationally produced films, advertisements, and newspaper features. Kaminsky's examination reveals how Europe consumes an image of Argentina that acts as a pivot between the exotic and the familiar. Going beyond the idea of suffocating Eurocentrism as a theory of national identity, Kaminsky presents an original and vivid reading of national myths and realities that encapsulates the interplay among the many meanings of "Argentina" and its place in the world's imagination. Amy Kaminsky is professor of gender, women, and sexuality studies and global studies at the University of Minnesota and author of *After Exile* (Minnesota, 1999).

The Assassin's Accomplice Apr 09 2021 In *The Assassin's Accomplice*, historian Kate Clifford Larson tells the gripping story of Mary Surratt, a little-known participant in the plot to kill Abraham Lincoln, and the first woman ever to be executed by the federal government of the United States. Surratt, a Confederate sympathizer, ran the boarding house in Washington where the conspirators-including her rebel son, John Surratt-met to plan the assassination. When a military tribunal convicted her for her crimes and sentenced her to death, five of the nine commissioners petitioned President Andrew Johnson to show mercy on Surratt because of her sex and age. Unmoved, Johnson refused-Surratt, he said, "kept the nest that hatched the egg." Set against the backdrop of the Civil War, *The Assassin's Accomplice* tells the intricate story of the Lincoln conspiracy through the eyes of its only female participant. Based on long-lost interviews, confessions, and court testimony, the text explores how Mary's actions defied nineteenth-century norms of femininity, piety, and motherhood, leaving her vulnerable to deadly punishment historically reserved for men. A riveting narrative account of sex, espionage, and murder cloaked in the enchantments of Southern

womanhood, *The Assassin's Accomplice* offers a fresh perspective on America's most famous murder.

Lincoln's Assassin Jun 23 2022 A riveting, fictionalized confessional of John Wilkes Booth that evokes a world of conspiracy, political duplicity, and theatricality. In 1890, actor John Wilkes Booth—long presumed dead—emerged from twenty-five years of anonymity in his wilderness refuge to expose those truly responsible for the Lincoln assassination and its ensuing cover-up, to unite with the children he had never known and recover what he might of his sense of purpose and dignity. After shooting President Abraham Lincoln, Booth fled into the night, and government reports claimed he was killed twelve days later. But the man who was shot in the head and burned in a tobacco-shed fire before being covertly transported to Washington was never fully identified. Friends, as well as members of America's premier family of the theatre of which he was a member, were barred from even viewing the body, the only photograph taken of the corpse was never printed, and then lost, and a strangely ceremonious martial court presided over a secret burial. Rumour immediately began to circulate: Booth was still alive. In *Lincoln's Assassin*, Jeffrey Pennington presents Booth's own story of flight and return, detailing how another was shot in his place as he escaped to nominal freedom and obscurity, leaving behind all his personal belongings and the stage-life he once knew. The larger conspiracy in which he was embroiled is unpicked in stylish fashion, exploring the political landscape in which Lincoln lived and died. Written in a confessional style, it aims to offer an insight into the true motivations at the heart of the Lincoln assassination, an event that continues to be the subject of much theorising and interest. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Obedient Assassin Aug 13 2021 A dark and riveting thriller that reimagines the life and mission of the Spanish nationalist enlisted to murder Leon Trotsky: Based on a true chapter of world history and ten years of research, here is the story of the real-life reluctant soldier and killer, Ramón Mercader—the obedient assassin Ramón Mercader was plucked from the front of the Spanish Civil War by the Soviets and conscripted to murder the great intellectual Leon Trotsky, a leader of the Bolshevik Revolution who was

exiled in the 1920s for opposing Joseph Stalin. As Ramón is trained for the task and assumes a new identity, he lives a lush life in Paris, befriending Frida Kahlo and other artists of the time. He falls in love with a left-leaning Jewish woman whom he is ordered to seduce as a means of getting at Trotsky. From Barcelona to Paris and New York to Mexico City, the group controlling Ramón—including Ramón's mother and her lover—guides the assassin on the inevitable resolution of his grim task as he must penetrate Trotsky's compound.

Oliver Stone's USA Nov 23 2019 A provocative portrait of the filmmaker reveals Stone as a consistent critic and interpreter of American history and culture whose work has changed the way Americans view their country.

A Gift of Freedom May 10 2021 This book shows how John M. Olin's venture philanthropy assisted in building a movement that has become a leading force in American politics and culture.

Accidental Assassin Apr 28 2020 Rumors of a conspiracy started as soon as Lee Harvey Oswald assassinated President John F. Kennedy and were redoubled when Jack Ruby murdered Oswald in the heavily guarded basement of Dallas police headquarters. This is a story by a reporter who was in that headquarters basement and then worked on Ruby's murder trial and the investigation by the Warren Commission.

America's Original Sin Oct 03 2020 The first book to explicitly name white supremacy as the motivation for Lincoln's assassination, *America's Original Sin* is an important and eloquent look at one of the most notorious episodes in American history.

The President and the Assassin Dec 25 2019 A SWEEPING TALE OF TURN-OF-THE-CENTURY AMERICA AND THE IRRESISTIBLE FORCES THAT BROUGHT TWO MEN TOGETHER ONE FATEFUL DAY In 1901, as America tallied its gains from a period of unprecedented imperial expansion, an assassin's bullet shattered the nation's confidence. The shocking murder of President William McKinley threw into stark relief the emerging new world order of what would come to be known as the American Century. *The President and the Assassin* is the story of the momentous years leading up to that event, and of the very different paths that brought together two of the most compelling figures of the era: President William McKinley and Leon Czolgosz, the anarchist who murdered him. The two men seemed to live in eerily parallel Americas. McKinley was to his contemporaries an enigma, a president whose conflicted feelings about imperialism reflected the country's own. Under its popular Republican commander-in-chief, the United States was undergoing an uneasy transition from a simple agrarian society to an industrial powerhouse spreading its influence overseas by force of arms. Czolgosz was on the losing end of the economic changes taking place—a first-generation Polish immigrant and factory worker sickened by a government that seemed

*focused solely on making the rich richer. With a deft narrative hand, journalist Scott Miller chronicles how these two men, each pursuing what he considered the right and honorable path, collided in violence at the 1901 Pan-American Exposition in Buffalo, New York. Along the way, readers meet a veritable who's who of turn-of-the-century America: John Hay, McKinley's visionary secretary of state, whose diplomatic efforts paved the way for a half century of Western exploitation of China; Emma Goldman, the radical anarchist whose incendiary rhetoric inspired Czolgosz to dare the unthinkable; and Theodore Roosevelt, the vainglorious vice president whose 1898 charge up San Juan Hill in Cuba is but one of many thrilling military adventures recounted here. Rich with relevance to our own era, *The President and the Assassin* holds a mirror up to a fascinating period of upheaval when the titans of industry grew fat, speculators sought fortune abroad, and desperate souls turned to terrorism in a vain attempt to thwart the juggernaut of change. Praise for *The President and the Assassin* "[A] panoramic tour de force . . . Miller has a good eye, trained by years of journalism, for telling details and enriching anecdotes."—*The Washington Independent Review of Books* "Even without the intrinsic draw of the 1901 presidential assassination that shapes its pages, Scott Miller's *The President and the Assassin* [is] absorbing reading. . . . What makes the book compelling is [that] so many circumstances and events of the earlier time have parallels in our own."—*The Oregonian* "A marvelous work of history, wonderfully written."—Fareed Zakaria, author of *The Post-American World* "A real triumph."—*BookPage* "Fast-moving and richly detailed."—*The Buffalo News* "[A] compelling read."—*The Boston Globe* One of *Newsweek's* 10 Must-Read Summer Books*

History of the Attempted Assassination of James A. Garfield Dec 17 2021
One Must Tell the Bees Mar 20 2022 "President Lincoln is assassinated in his private box at Ford's!" When those harrowing words ring out during a children's entertainment in Washington on the evening of April 14, 1865, a quick-thinking young chemist from England named Johnnie Holmes grabs Tad Lincoln, the 12-year-old son of the dying President, races the boy to safety and soon finds himself enlisted in the most infamous manhunt in history. *One Must Tell the Bees* is the untold story of young Holmes's journey from the streets of London to the White House of Abraham Lincoln—and his breathtaking pursuit of John Wilkes Booth in the company of a freed slave named Abraham. It is the very first case of the man who would become known to the world as Sherlock Holmes, and, as readers will discover, it will haunt him until his very last. At a time when Western history is being reexamined and retold, old heroes cast aside and statues torn down, and even the legacy of Abraham Lincoln, "the Great Emancipator," is questioned, *One Must Tell the Bees* is a timely reminder that our history deserves to be

understood before it is entirely undone.

Reading Around Nov 28 2022 This collection of excellent short essays includes many of the most popular and important pieces by John J. Miller, the respected author, journalist, and academic. From literature to music, from movies to writing, from culture to politics, "Reading Around" shows Miller -- the talented director of the Dow Journalism Program at Hillsdale College -- at his peak performance. This best-of book draws from National Review, Wall Street Journal, and other publications and includes pieces on the ancient epics "Gilgamesh" and "Beowulf"; thriller writers Michael Crichton, Daniel Silva, and Brad Thor; science-fiction authors Arthur C. Clarke and Robert A. Heinlein; fantasy novelists J.R.R. Tolkien and C.S. Lewis; the horror fiction of Edgar Allan Poe and H.P. Lovecraft; movies such as "The Exorcist" and "Red Dawn"; the music of Iron Maiden; the art of Salvador Dali and Frida Kahlo; and much more, including essays on the purpose of libraries, writer's block, and the conundrum of having a common name. The Chronicle of Higher Education has called Miller "one of the best literary journalists in the country," and this volume shows why. For anyone who loves and admires excellent writing, "Reading Around" is an enjoyable must.

*What Really Happened: The Lincoln Assassination Jan 26 2020 Think You Know Everything about the Lincoln Assassination? Think Again. After 150 years, many unsolved mysteries and enduring urban legends still surround the assassination of Abraham Lincoln by the popular stage actor John Wilkes Booth. In a new look at the case, award-winning history author Robert J. Hutchinson (The Politically Incorrect Guide to the Bible) explores what we know, and don't know, about what really happened at Ford's Theatre on the night of April 14, 1865. In addition, he argues that the deep-seated political hatreds that roiled Washington, D.C., in the final weeks of the Civil War are particularly relevant to our own polarized age. Among the tantalizing questions Hutchinson explores are: * Did the Confederacy have a hand in the assassination plot? * Who were Booth's secret accomplices, and why did he change the plan from kidnapping to assassination? * Why was it so easy for Booth to walk into the president's box to shoot him? Where were the guards? * How did Booth evade the largest manhunt in U.S. history for nearly two weeks despite being unable to walk? * Who gave the order to shoot Booth in the Garrett barn—and what happened to his body? Drawing upon both primary sources and the best recent historical research, What Really Happened: The Lincoln Assassination separates established facts from mere conjectures—and is the one book to own if you want to know "what really happened."*
