[Grumpy Bird](#) Dec 03 2020 The debut book of Jeremy Tankard's high-flying Bird series! Bird wakes up feeling grumpy. Too grumpy to eat or play -- too grumpy even to fly. "Looks like I'm walking today," says Bird. He walks past Sheep, who offers to keep him company. He walks past Rabbit, who also could use a walk. Raccoon, Beaver, and Fox join in, too. Before he knows it, a little exercise and companionship help Bird shake his bad mood. Praised by the Wall Street Journal as "comic perfection," this winsome, refreshingly original picture book is sure to help kids (and grown-ups) giggle away their grumpies, too! Bird's impeccably crafted, hilarious melodramas continue in the Grumpy Bird board book, Boo Hoo Bird, Hungry Bird, and coming in 2018, Sleepy Bird.

Great Habits, Great Readers Sep 19 2019 A book that brings the habits of reading to life Great readers are not made by genetics or destiny but by the habits they build—habits that are intentionally built by their teachers. The early formal years of education are the key to reversing the reading gap and setting up children for success. But K-4 education seems to widen the gap between stronger and weaker readers, not close it. Today, the Common Core further increases the pressure to reach high levels of rigor. What can be done? This book includes the strategies, systems, and lessons from the top classrooms that bring the habits of reading to life, creating countless quality opportunities for students to take one of the most complex skills we as people can know and to perform it fluently and easily. Offers clear teaching strategies for teaching reading to all students, no matter what level Includes more than 40 video examples from real classrooms Written by Paul Bambrick-Santoyo, bestselling author of *Driven by Data* and *Leverage Leadership* Great Habits, Great Readers puts the focus on: learning habits, reading habits, guided reading, and independent reading. NOTE: Content DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase

Soccer Game! Feb 23 2020 Brief rhyming text follows a group of children through some exciting plays during a soccer game.

Guided Reading Nov 26 2022 Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Leveled Books (K-8) May 20 2022 For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into Leveled Books, K-8 to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, Leveled Books, K-8 is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With Leveled Books, K-8 you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. Letters to a Young Athlete Nov 21 2019 A legendary NBA player and beloved teammate shares his hard-earned wisdom about finding your true purpose and mastering your inner game, whatever that game might be. Chris Bosh is on any list of the Top 100 NBA players of all time--an eleven-time All Star, two-time Finals winner, Olympic gold medalist, and currently the league's Global Ambassador. Always an uncommonly philosophical NBA star, he found himself needing all the mindfulness he could muster in 2017, when his career was cut short at its prime by a freak medical condition. Suddenly, he was thrown out of the work that had given so much more than just a livelihood, and had to think deeply about his identity in the world. This game had taught him so much; what could he make of it all? Out of that place of deep reflection has emerged an uncommon book for a retired superstar to write. While it has the best elements of a memoir--the portraits of the great players and coaches, from LeBron and Kobe to Pat Riley and Coach K, and the accounts of extraordinary competitive moments--it is really a wisdom book, a blend of The Inner Game of Tennis, Wynton Marsalis's To a Young Jazz Musician, and Rilke's Letters to a Young Poet. It is rich with insight about basketball, but even richer with insight about life. It's a book about finding a purpose that is deep and real, not shallow and external, and about navigating success and failure as the twin mirages they are--pushing past fear, past ego, past fatigue to the pure flow of sustained accomplishment in a mesh with teammates who have given themselves to the same thing. Chris Bosh found that flow, and sustained it at the highest level. He misses basketball keenly still, but he has no regrets. Deep, honest, unflinching, this book is his friend's hand up to those coming up behind, whatever their pursuit might be.

More Than Guided Reading May 08 2021 Is there too much emphasis on guided reading in primary classrooms? It's a question that many educators, like kindergarten teacher and literacy coach Cathy Mere, are starting to ask. Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts, but Cathy found that she needed to find other ways to help students gain independence. While maintaining guided reading as an important piece of their reading program, teachers need to offer students opportunities during the day to develop as readers, to learn to choose books, to find favorite genres and authors, and to talk about their reading. In *More Than Guided Reading*, Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning?not only providing more time for students to discover their reading lives, but also shaping instruction to meet the needs of the diverse learners in her classroom. By changing the structure of the day, Cathy found she was better able to adjust the support she was providing students, allowing time for whole-class focus lessons, conferences, and opportunities to share ideas, as well as reading from self-selected texts using the strategies, skills, and understandings acquired in reader's workshop. The focus lesson is the centerpiece of the workshop. It is often tied to a read-aloud and connected to learning from the previous day, helping to build skills, extend thinking, and develop independence over time. This thoroughly practical text offers numerous sample lessons, questions for conferences, and ideas for revamping guided reading groups. It will help teachers tweak the mix of instructional components in their reading workshops, and provoke school-wide conversations about the place of guided reading in a complete literacy curriculum.

The Bible Recap Aug 31 2020 Have you ever closed your Bible and thought, What did I just read? Or maybe you have tried to read through the Bible in a year, but quit when it felt confusing or impersonal. The Bible Recap is here to help. Tara-Leigh Cobble, host of the popular Bible Recap podcast, walks readers through a one-year chronological Bible reading plan and explains each day's passage in an easy-to-understand way. Emphasizing how God's character can be seen throughout Scripture, the recaps are simple and short yet deep enough to help you understand the hard parts and press into knowing God better. As Cobble says, The primary role of Scripture is to show me who God is, and if I behold God, my life will naturally conform around what I learn about him. The Bible Recap will not only help you understand the entire narrative of the Bible, it will fortify your faith.
