"Longing makes

you weak. It's an emotion I've managed to avoid for the past eight years." There was a time when Marlowe Wyatt had abandoned herself to the unrestrained pleasures of love; she'd been bold and unashamed, giving her heart and body to her lover without inhibition or hesitation. Until she was betrayed. It's ironic, then, that she now earns a living composing love letters for clients incapable of communicating desire -- erotic fantasies she skillfully creates with her head, but never her heart . . . deliberately disconnected from her passionate core. Her newest client is about to challenge all that.

From the moment of their first encounter, Gideon Brown ignites in her an overpowering hunger like none she's ever known, and a vulnerability she thought she'd vanquished. As the powerful attraction that sizzles between them inspires Marlowe's best work, sensations and desires she'd long held in check sweep her toward the brink of surrender. Yet her own fear, plus thoughts of the woman for whom Gideon hired Marlowe to write the letters, holds her back. But for how long? Fleeing her abusive husband for her grandmother's mansion in Belle Époque Paris,

Sandrine ignores warnings that the house is not safe and explores the occult underground with her architect lover before becoming possessed by a witch courtesan's spirit. By the New York Times best-selling author. A young woman travels alone to a remote island to uncover a past she never knew was hers in this thrilling modern ghost story. When a mysterious letter lands in Hallie James's mailbox, her life is upended. Hallie was raised by her loving father, having been told her mother died in a fire decades earlier. But it turns out that her mother, Madlyn, was alive until very

recently. Why would Hallie's father have taken her away from Madlyn? What really happened to her family thirty years ago? In search of answers, Hallie travels to the place where her mother lived, a remote island in the middle of the Great Lakes. The stiff islanders fix her first with icy stares and then unabashed amazement as they recognize why she looks so familiar, and Hallie quickly realizes her family's dark secrets are enmeshed in the history of this strange place. But not everyone greets her with such a chilly reception—a coffee-shop owner and the family's lawyer both warm to Hallie, and the

possibility of
romance blooms.
And then there's
the grand Victorian
house bequeathed
to her—maybe it's

maybe it's the prim,

Estranged half-

Gabrielle, the

Lauren Weisberger had it wrong: because it seems, in fact, that the devil wore Chanel. But as they being to explore their mother's collection, meet and fall in love with her group of warm, wonderful friends, and magically find inspiring messages tucked away in her treasures — it seems as though their mother is advising Lulu and Gabrielle from the beyond — helping them rediscover themselves and restore their relationship with each other. They say diamonds are a girl's best friend—until they're stolen. Ania Throne is devoted to her jewelry company. The daughter of one of the world's most

famous jewelers, she arrives in Cannes with a stunning new collection. But a shocking theft by the notorious thief known as the Leopard throws her into upheaval—and plunges her on an unexpected hunt that challenges everything she believes. Jerome Curtis thinks he's seen it all, especially when it comes to crime. Until he's hired to investigate the loss of Ania Thorne's collection, his every skill put to the test as he chases after a mysterious master-mind responsible for some of the costliest heists in history—and finds himself in a tangled web with a woman he really shouldn't fall in love with.

From the fabled Carlton Hotel to the elegant boulevards of Paris, Ania and Jerome must race against time to catch a thief before the thief catches them. With everything on the line, can they solve the steal or will the steal take more than diamonds from them? Set in the late 1950s, *THE STEAL* is a romantic caper by bestselling authors C.W. Gortner and M.J. Rose. Six months ago, a case nearly cost Sophie her life. So when a detective friend asks her to visit Arizona, she welcomes the break. But her vacation ends abruptly when bodies are found at a university and she gets pulled into the

case. The horrifying methodology--deliberate body positioning, a distinctive red heart scrawled on each victim--indicates to Sophie that a new serial killer has claimed the area. Oddly, though, certain signature elements differ between killings.

Fortunately, the FBI database has a record of many of the signatures--but each belongs to a different serial killer. As the bodies continue to appear, Sophie must hone her terrifying skills and suffer the horrors in her head in order to stop this killer. Obsessed with the work of perfumer Rene le Florentin, who had discovered the secret to

immortality, renowned mythologist Jac L'Etoile and her estranged lover, after translating Rene's formulary, must keep it safe from an eccentric heiress who desperately wants the elixir for her own dark purpose. Revenge is a diamond best served cold. A year after THE STEAL, Ania Throne is determined to take back what the Leopard stole from her. Together with her lover and partner, Jerome, she stages a spectacular heist during the Venetian Carnival, to lure out the treacherous mastermind they unmasked. She's willing to risk it all--until her revenge takes a

dangerous twist that could cost her what she loves the most. Jerome Curtis has given up everything for Ania. She needs his help and he's fallen head over heels for the world's most eligible jewelry designer. But when their daring scheme to catch the thief who escaped turns on them, he's targeted for a crime he never wanted to commit--and he has to find a way out fast. From a glamorous costume gala to the winter canals of Venice, Ania and Jerome must confront the choices they've made and bait a new trap to catch the Leopard, before the Leopard springs his trap on them. This time, the stakes are personal,

but with more than diamonds on the line, can they escape the bait or will it separate them forever? Written as a confessional letter to his son, an 18th century opera singer recounts how his gift for sound led him on an astonishing journey to Europe's celebrated opera houses and reveals how he came to raise a son who by all rights he never could have sired. The celebrated opera singer Lo Svizzero was born in a belfry high in the Swiss Alps where his mother

served as the keeper of the loudest and most beautiful bells in the land. Shaped by the bells' glorious music, he possessed an extraordinary gift for sound. But when his preternatural hearing was discovered—along with its power to expose the sins of the church—young Moses Froben was cast out of his village with only his ears to guide him in a world fraught with danger. Rescued from certain death by two traveling monks, he finds refuge at the vast and powerful Abbey of St. Gall. There, he becomes the protégé of the Abbey's brilliant yet repulsive choirmaster, Ulrich.

But it is this gift that will cause Moses' greatest misfortune: determined to preserve his brilliant pupil's voice, Ulrich has Moses castrated. Now, he will forever sing with the exquisite voice of an angel—a musico—yet castration is an abomination in the Swiss Confederation, and so he must hide his shameful condition from his friends and even from the girl he has come to love. When his saviors are exiled and his beloved leaves St. Gall for an arranged marriage in Vienna, he decides he can deny the truth no longer and he follows her—to sumptuous Vienna,

to the former monks who saved his life, to an apprenticeship at one of Europe's greatest theaters, and to the premiere of one of history's most beloved operas. Like the voice of Lo Svizzero, *The Bells* is a sublime debut novel that rings with passion, courage, and beauty. *One City. One Movement. A World of Stories.* *Stories from Suffragette City* is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. Thirteen of today's

bestselling authors have taken this moment as inspiration to raise the voices of history and breathe fresh life into their struggles and triumphs. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women's

suffrage movement so that every woman's voice can be heard. Each story stands on its own, but together Stories From Suffragette City becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. With an introduction by Kristin Hannah and stories from: Lisa Wingate M.J. Rose Steve Berry Paula McLain Katherine J. Chen Christina Baker Kline Jamie Ford Dolen Perkins-Valdez Megan Chance Alyson Richman Chris Bohjalian and Fiona Davis NATIONAL BESTSELLER • A "gripping book about this extraordinary man

who lived passionately and died unnecessarily" (USA Today) in post-9/11 Afghanistan, from the bestselling author of Into the Wild and Into Thin Air. In 2002, Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of American patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew. Sent first to Iraq—a war he would openly declare was "illegal as hell"—and eventually to

Afghanistan, Tillman was driven by emotionally charged, sometimes contradictory notions of duty, honor, justice, and masculine pride, and he was determined to serve his entire three-year commitment. But on April 22, 2004, his life would end in a barrage of bullets fired by his fellow soldiers. Though obvious to most of the two dozen soldiers on the scene that a ranger in Tillman's own platoon had fired the fatal shots, the Army aggressively maneuvered to keep this information from Tillman's family and the American public for five weeks following his death. During this time,

President Bush used Tillman's name to promote his administration's foreign policy. Long after Tillman's nationally televised memorial service, the Army grudgingly notified his closest relatives that he had "probably" been killed by friendly fire while it continued to dissemble about the details of his death and who was responsible. Drawing on Tillman's journals and letters and countless interviews with those who knew him and extensive research in Afghanistan, Jon Krakauer chronicles Tillman's riveting, tragic odyssey in engrossing detail highlighting his

remarkable character and personality while closely examining the murky, heartbreaking circumstances of his death. Infused with the power and authenticity readers have come to expect from Krakauer's storytelling, *Where Men Win Glory* exposes shattering truths about men and war. This edition has been updated to reflect new developments and includes new material obtained through the Freedom of Information Act. The New York Times bestselling author of *The Library of Light* and *Shadow* crafts "an enchanting glimpse of Jazz Age New York" (Christina

Baker Kline, #1 New York Times bestselling author of *Orphan Train*) about a young painter whose traumatic past threatens to derail her career at a prestigious summer artists' colony run by Louis Comfort Tiffany of Tiffany & Co. fame. New York, 1924: Twenty-four-year-old Jenny Bell is one of a dozen burgeoning artists invited to Louis Comfort Tiffany's prestigious artists' colony. Gifted and determined, Jenny vows to avoid all distractions and take full advantage of the many wonders to be found at Laurelton Hall. But Jenny's past has followed her there. Images of her beloved

mother, her hard-hearted stepfather, murder, and the dank hallways of Canada's notorious Andrew Mercer Reformatory for Women overwhelm Jenny's thoughts, even as she is inextricably drawn to Oliver, Tiffany's charismatic grandson. As the summer shimmers on, and the competition between the artists grows fierce as they vie for a spot at Tiffany's New York gallery, a series of suspicious and disturbing occurrences suggest someone else knows about Jenny's childhood trauma. Supported by her closest friend Minx Deering, a seemingly carefree socialite yet

dedicated sculptor, and Oliver, Jenny pushes her demons aside. Between stolen kisses and jewels, the champagne flows and the jazz plays on until one moonless night when Jenny's past and present are thrown together in a desperate moment, that will threaten her promising future, her love, her friendships, and her very life. "This fast-paced mystery, star-crossed romance, and love letter to Louis Comfort Tiffany will captivate Rose's many fans and readers of 20th-century historical fiction" (*Library Journal*, starred review). In her enthralling novels of literary

suspense, Carol Goodman writes stories that resonate with emotion set in lush landscapes that entice the senses. Now, with *The Ghost Orchid*, a narrative that seamlessly weaves together the past and the present, Goodman creates her most lyrical and haunting work to date. For more than one hundred years, creative souls have traveled to Upstate New York to work under the captivating spell of the Bosco estate. Cradled in silence, inspired by the rough beauty of overgrown gardens and crumbling statuary, these chosen few fashion masterworks—and have cemented Bosco's reputation

as a premier artists' colony. This season, five talented artists-in-residence find themselves drawn to the history of Bosco, from the extensive network of fountains that were once its centerpiece but have long since run dry to the story of its enigmatic founder, Aurora Latham, and the series of tragic events that occurred more than a century ago. Ellis Brooks, a first-time novelist, has come to Bosco to write a book based on Aurora and the infamous summer of 1893, when wealthy, powerful Milo Latham brought the notorious medium Corinth Blackwell to the estate to help his wife contact

three of the couple's children, lost the winter before in a diphtheria epidemic. But when a séance turned deadly, Corinth and her alleged accomplice, Tom Quinn, disappeared, taking with them the Lathams' only surviving child. The more time she spends at Bosco, the more Ellis becomes convinced that there is an even darker, more sinister end to the story. And she's not alone: biographer Bethesda Graham uncovers stunning revelations about Milo and Corinth; landscape architect David Fox discovers a series of hidden tunnels underneath the gardens; poet Zalman Bronsky hears the long-dry

fountain's waters beckoning him; and novelist Nat Loomis feels something lingering just out of reach. After a bizarre series of accidents befalls them, the group cannot deny the connections between the long ago and now, the living and the dead . . . as Ellis realizes that the tangled truth may ensnare them all in its cool embrace. From New York Times and Wall Street Journal bestseller M.J. Rose comes a provocative and moving story of a young female architect in post-World War II Manhattan, who stumbles upon a hidden treasure and begins a journey to discovering her mother's life during

the fall of the Romanovs. Sophia Moon had always been reticent about her life in Russia and when she dies, suspiciously, on a wintry New York evening, Isobelle despairs that her mother's secrets have died with her. But while renovating the apartment they shared, Isobelle discovers something among her mother's effects—a stunning silver tiara, stripped of its jewels. Isobelle's research into the tiara's provenance draws her closer to her mother's past—including the story of what became of her father back in Russia, a man she has never known. The facts elude her

until she meets a young jeweler, who wants to help her but is conflicted by his loyalty to the Midas Society, a covert international organization whose mission is to return lost and stolen antiques, jewels, and artwork to their original owners. Told in alternating points of view, the stories of the two young women unfurl as each struggles to find their way during two separate wars. In 1915, young Sofiya Petrovitch, favorite of the royal household and best friend of Grand Duchess Olga Nikolaevna, tends to wounded soldiers in a makeshift hospital within the grounds of the Winter Palace in St. Petersburg and

finds the love of her life. In 1948 New York, Isobelle Moon works to break through the rampant sexism of the age as one of very few women working in a male-dominated profession and discovers far more about love and family than she ever hoped for. In M.J. Rose's deftly constructed narrative, the secrets of Sofiya's early life are revealed incrementally, even as Isobelle herself works to solve the mystery of the historic Romanov tiara (which is based on an actual Romanov artifact that is, to this day, still missing)—and how it is that her mother came to possess it. The two

strands play off each other in finely-tuned counterpoint, building to a series of surprising and deeply satisfying revelations. "Truly one of the most beautiful books I've read in a long time. The prestigious Beazley's auction house is about to sell a lost masterwork, *The Chrysalis*, in an auction that is destined to become legendary. Standing in the way, however, is the

shocking accusation that the painting belongs not to Beazley's client but to Hilda Baum, the daughter of a Dutch collector who lost his paintings—and his life—to the Nazis. The case brings an unexpected surprise when Mara discovers that Beazley's in-house attorney is Michael Roarke, a man for whom she once had an intense attraction. But the same skills that make her a brilliant litigator also make Mara suspicious, and she begins to believe that Hilda's tragic family story might be more than just heartbreaking—it might be true. “Vivid...[and] memorable”

(Publishers Weekly), Cartier’s Hope is “a twisting tale of greed, revenge, and masked identities that put love and lives at risk. A fast-paced historical novel that shines with as much intrigue and mystery as the Hope Diamond itself” (Beatriz Williams, New York Times bestselling author). **Best Books of August ~ Apple Books**
“Coauthors Steve Berry and M.J. Rose take lots of hairpin turns, making for an intense, suspenseful, and action-packed read. The Lake of Learning is the kind

of page-turner that makes you crave a big bowl of popcorn—we just wanted it to keep on going.” ~ Apple Books For over a decade Cassiopeia Vitt has been building an authentic French castle, using only materials and techniques from the 13th century. But when a treasure is unearthed at the construction site—an ancient Book of Hours—a multitude of questions are raised, all pointing to an ancient and forgotten religious sect. Once the Cathars existed all across southern France, challenging Rome and attracting the faithful by the tens of thousands. Eventually, in 1208,

the Pope declared them heretics and ordered a crusade—the first where Christians killed Christians—and thousands were slaughtered, the Cathars all but exterminated. Now a piece of that past has re-emerged, one that holds the key to the hiding place of the most precious object the Cathars possessed. And when more than one person becomes interested in that secret, in particular a thief and a billionaire, the race is on. From the medieval walled city of Carcassonne, to the crest of mysterious Montségur, to a forgotten cavern beneath the Pyrenees, Cassiopeia is drawn

deeper and deeper into a civil war between two people obsessed with revenge and murder. As one of New York's top sex therapists, Dr. Morgan Snow sees everything from the abused to the depraved. The Butterfield Institute is the sanctuary where she tries to heal these battered souls. The Scarlet Society is a secret club of twelve powerful and sexually adventurous women. But when a photograph of the body of one of the men they're recruited to dominate -- strapped to a gurney, the number 1 inked on the sole of his foot -- is sent to the New York Times, they are

shocked and frightened. Unable to cope with the tragedy, the women turn to Dr. Morgan Snow. But what starts out as grief counseling quickly becomes a murder investigation, with any one of the twelve women a potential suspect. The case leads Detective Noah Jordan -- a man with whom Morgan has shared a brief, intense connection - - to her office. He fears the number on the man's foot hints that the killings have just begun. With her hands tied by her professional duty, Morgan is dangerously close to the demons in her own mind -- and the flesh-and-blood killer. What To Do Before Your Book

Dr. Morgan Snow is a well-known sex therapist with a prestigious clinic devoted to the psychology of sex. One of her patients, Cleo, is a beautiful, cultured prostitute who runs her own call-girl business. Cleo has been coming to Dr. Snow because she's fallen in love, but is

unable to have a healthy sexual relationship. One day, Cleo arrives with a manuscript for a tell-all book....and then disappears. A serial killer has been at work in the city, and Detective Noah Jordan turns to Morgan Snow to find out more about the psychology of a sexual murderer. Both Morgan and Noah suspect there is a link between the serial killer and Cleo's sudden disappearance, and work together to find her - before it is too late. "A suspenseful novel about a grieving woman who discovers the long-lost letters of novelist Victor Hugo, awakening a mystery that spans centuries" -- In

early 2003, an ousted UN weapons inspector is assassinated on the eve of a bombshell press conference. Rumours surface that this man had been passed damning evidence of a worldwide cabal of unimaginable power and wealth, and of their endgame that the coming war was meant to set in motion. It was the stuff of the wildest conspiracy theories: a global elite engineering the crash of financial markets, the soaring prices of food and energy, the numbing of the general population through a manufactured climate of fear. With the murdered man discredited

and his evidence destroyed, all of it would soon be forgotten. But two intertwined parts of a coded text survived the assassination. One half is in the hands of a young female operative, already on the run from her own dark past. The other is delivered to the only man alive capable of unlocking its promise: a long-suppressed technology that could either usher in a new age of peace for all mankind, or become the ultimate weapon of mass destruction. Tragedy has found Cassiopeia Vitt. The woman she admires most, Esmerelda Fontana, has been brutally murdered. Then Cassiopeia's

castle rebuilding project is viciously attacked and people are hurt. Are the two incidents related? The answer comes when her old friend, Nicodème L'Etoile, is threatened and she finds herself drawn into a tangled web of revenge that leads straight to the person she loves the most. Cotton Malone. And his life will depend on what she does next. From the rocky coasts of northern Spain, to a medieval building site in France, and finally into Italy and the oldest surviving republic in the world, Cassiopeia must confront a devil from her past, a man obsessed with her destruction. The choices she has to

make will be the toughest she's ever faced. Life and death decisions that force her—to the end of forever. One person wades through a seemingly unconnected series of events—a methodical mass killing in Pennsylvania, a missing girl in California, and the possible death of a couple in Montana—on the way to a confrontation with the Straw Men. The rise in popularity of this belief over the last century and a half is directly traceable to the impact of the nineteenth century's largest and most influential Western esoteric movement, the Theosophical Society. In Recycled

Lives, Julie Chajes looks at the rebirth doctrines of the matriarch of Theosophy, the controversial occultist Helena Petrovna Blavatsky (1831-1891). Examining her teachings in detail, Chajes places them in the context of multiple dimensions of nineteenth-century intellectual and cultural life. In particular, she explores Blavatsky's readings (and misreadings) of Spiritualist currents, scientific theories, Platonism, and Hindu and Buddhist thought. These in turn are set in relief against broader nineteenth-century American and European trends. The chapters come together to reveal

the contours of a modern perspective on reincarnation that is inseparable from the nineteenth-century discourses within which it emerged, and which has shaped how people in the West tend to view reincarnation today. Book three of The Reincarnationist series. Haunted by his inability to stop the murder of a beautiful young painter twenty years ago, Lucian Glass keeps his demons at bay through his fascinating work with the FBI's Art Crime Team. Investigating a crazed collector who's begun destroying prized masterworks, Glass is thrust into a bizarre hostage

negotiation that takes him undercover at the Phoenix Foundation—dedicated to the science of past-life study. There, to maintain his cover, he submits to the treatment of a hypnotist. Under hypnosis, Glass travels from ancient Greece to nineteenth-century Persia, while the case takes him from New York to Paris and the movie while the case takes him from New York to Paris and the movie capital of the world.
