Water Witches Jan 05 2023 From the bestselling author of *The Flight Attendant*—Patience Avery is a dowser, a “water witch.” Her natural gifts enable her to locate lost items, missing people, and aquifers deep within the earth. This last skill is more in demand than ever, as her home state of Vermont is in the grip of the worst drought in years. Patience knows better than most that this crisis is only the start. 25th Anniversary Edition, with a new note from the author Yet Patience’s opinion means little to her brother-in-law, Scottie Winston. Scottie’s spent the long, dry summer lobbying for permits to expand Powder Peak, a local ski area that’s his law firm’s biggest client. The resort is seeking to draw water for snowmaking from the Chittenden River, despite opposition from environmentalists who fear that the already weakened waterway will be damaged beyond repair. As the pressure mounts—from his wife and daughter on one side and a slew of powerful politicians and wealthy developers on the other—Scottie finds himself pushed closer and closer to a life-changing moral crisis. One of bestselling author Chris Bohjalian’s earliest novels, *Water Witches* is a prescient environmentalist and political drama that’s even more relevant today than it was a quarter of a century ago.

The Historic Manzanita Speedway in Phoenix Nov 30 2019 Phoenix's Manzanita Speedway, the last of the big dirt tracks located near the central corridor of a major metropolitan area, is now gone. The track opened in the early 1950s when Jack Holloway, president of the Arizona Jalopy Racing Association, along with Avery Doyle and Gene Gunn, set about convincing Rudy Everett and Larry Meskimen to convert their unprofitable dog-racing operation into a quarter-mile dirt track. On August 25, 1951, Everett and Meskimen beamed with excitement as Manzy opened to an overflowing crowd. They had tapped into America's post-World War II craze for automobiles and found their own Lost Dutchman Gold Mine in the process. Manzanita Speedway dominated dirt-track racing in Phoenix and was heralded as one of the top five dirt tracks in the United States. Manzy became an integral part of the racing culture in Phoenix, and its sale and closure in 2009 created a sense of lingering disappointment.

The City Condemned to Hell Oct 29 2019 The City Condemned to Hell by Randall Craig is a horror story about Dr. Skull's illness-wracked patient, and the terrifying octopus infecting the city by storm. Dr. Skull must save New York using only his medical skill and his courage. Excerpt: "THE young nurse nodded downward at the mummy-like thing on the cot in Ward Seven. "She's been trying to move, Doctor," she said. "Are you sure you need the stimulants?" Dr. Skull nodded absently... He remembered the day, almost a month ago, when a frightened woman stripped herself in his office, and whispered, "Is it cancer, Doctor? Will I die soon?"
