PDHPE in Focus Dec 04 2022 *PDHPE in Focus HSC Course* has been written specifically for the revised 2009 NSW Stage 6 PDHPE syllabus by a highly respected author team. All of the core modules and options are addressed using a reassuring dot point approach and the text features up-to-date statistics, case studies and articles. The accompanying eText features sample student answers with linked verb scaffolds and a range of additional resources. Devised by a respected author team of senior PDHPE educators, *PDHPE in Focus* covers all

core modules and options with completely new content. The comprehensive format of PDHPE in Focus is designed to help teachers and students successfully navigate the new syllabus, with content directly linked to syllabus dot points. Up-to-date statistics, case studies and articles place topics within context and provide relevance for today's students. Sample student answers (available on the eText) are linked to topics throughout the texts and provide examples of actual Band 6 answers to help with exam preparation.

Nelson Community and Family Studies Mar 15 2021 Nelson Community and Family Studies: Preliminary & HSC, second edition, continues its fresh, practical approach to this contemporary discussion-based subject. This book is a comprehensive resource for teachers and students of Community and Family Studies. It provides a concise and thorough basis for study and reviews all components of the Preliminary and HSC course. Each topic area is supported with current research articles, engaging case studies and activities to help reinforce major syllabus outcomes. The text demonstrates the interrelationships between each topic area and it is an essential tool for all students wanting to succeed in CAFS.

Fall of the Roman Republic May 17 2021
Dramatic artist, natural scientist and

philosopher, Plutarch is widely regarded as the most significant historian of his era, writing sharp and succinct accounts of the greatest politicians and statesman of the classical period. Taken from the Lives, a series of biographies spanning the Graeco-Roman age, this collection illuminates the twilight of the old Roman Republic from 157-43 bc. Whether describing the would-be dictators Marius and Sulla, the battle between Crassus and Spartacus, the death of political idealist Crato, Julius Caesar's harrowing triumph in Gaul or the eloquent oratory of Cicero, all offer a fascinating insight into an empire wracked by political divisions. Deeply influential on Shakespeare and many other later writers, they continue to fascinate today with their exploration of corruption, decadence and the struggle for ultimate power.

Daily Language Review Grade 5 Apr 15 2021
This book includes Monday to Friday lessons for each day of a 36-week school year and short daily lessons. The Monday to Thursday lessons include two sentences to edit, including corrections in punctuation, capitalization, spelling, grammar, and vocabulary and three items practicing a variety of language and reading skills. Friday practice cycles through five formats: language usage, identifying and correcting mistakes,

combining sentences, choosing reference materials and figurative speech (similes, metaphors). The pages are reproducible and the book includes a skills list and answer keys.

HSC Standard English Jul 19 2021 This guide contains comprehensive summary and discussion of all 44 prescribed texts in the HSC Standard English course, plus a list of key issues to consider in each chapter related to the relevant syllabus area, helpful advice on how to read different types of texts, plot outlines, character discussion and interpretations.
