**Anvil of God** Jun 29 2020 It is 741. After  
subduing the pagan religions in the east,  
halting the march of Islam in the west, and  
conquering the continent for the Merovingian  
kings, mayor of the palace Charles the Hammer  
has one final ambition—the throne. Only one  
thing stands in his way—he is dying. Charles  
cobles together a plan to divide the kingdom  
among his three sons, betroth his daughter to a  
Lombard prince to secure his southern border,  
and keep the Church unified behind them  
through his friend Bishop Boniface. Despite his  
best efforts, the only thing to reign after  
Charles's death is chaos. His daughter has no  
intention of marrying anyone, let alone a  
Lombard prince. His two eldest sons question  
the rights of their younger pagan stepbrother,  
and the Church demands a steep price for their  
support. Son battles son, Christianity battles  
paganism, and Charles's daughter flees his  
court for an enemy's love. Based on a true  
story, *Anvil of God* is a whirlwind of love, honor,  
sacrifice, and betrayal that follows a bereaved  
family's relentless quest for power and destiny.

**Magritte** Sep 20 2019 The first major biography  
of the pathbreaking, perpetually influential  
surrealist artist and iconoclast whose  
inspiration can be seen in everyone from Jasper  
Johns to Beyoncé—by the celebrated  
biographer of Cézanne and Braque In this  
thought-provoking life of René Magritte  
(1898-1967), Alex Danchev makes a compelling  
case for Magritte as the single most significant  
purveyor of images to the modern world.  
Magritte's surreal sensibility, deadpan  
melodrama, and fine-tuned outrageousness  
have become an inescapable part of our visual  
landscape, through such legendary works as  
*The Treachery of Images* (*Ceci n'est pas une  
pipe*) and his celebrated iterations of *Man in a  
Bowler Hat*. Danchev explores the path of this  
highly unconventional artist from his middle-  
class Belgian beginnings to the years during  
which he led a small, brilliant band of  
surrealists (and famously clashed with André  
Breton) to his first major retrospective, which  
traveled to the United States in 1965 and gave  
rise to his international reputation. Using 50

color images and more than 160 black-and-  
white illustrations, Danchev delves deeply into  
Magritte's artistic development and the  
profound questions he raised in his work about  
the very nature of authenticity. This is a vital  
biography for our time that plumbs the mystery  
of an iconoclast whose influence can be seen in  
everyone from Jasper Johns to Beyoncé.

**Politics, Poetics, Affect** Feb 24 2020 This book seeks to re-vision the life and work of the Peruvian poet, César Vallejo (1892-1938). It consists of ten essays grouped into three complementary sections on Politics, Poetics and Affect. In Part I, William Rowe draws out the latent layers of political meaning in Vallejo's 'pre-political' work, Trilce; Adam Feinstein weighs the evidence for and against the case that there was a rift between the two most important Latin American poets of the

twentieth century (Vallejo and Pablo Neruda); and David Bellis compares and contrasts Vallejo's Spanish Civil War poetry with that composed by Neruda and the Cuban poet Nicolás Guillén. In Part II, Dominic Moran provides a line-by-line dissection of Vallejo's favourite poem of his early period, 'El palco estrecho'; Adam Sharman offers a close reading of Poem XXIII of Trilce; Paloma Yannakakis looks at the role played by the human body in Vallejo's poetics; while Michelle Clayton reviews the ways in which animals are represented in Vallejo's poetry. In Part III, Santi Zegarra discusses the influence that Vallejo's poetry has had on his film-making; Eduardo González Viaña reveals how he re-created Vallejo's experience of imprisonment in his novel Vallejo en los infiernos; while Stephen Hart compares and contrasts the two main muses of Vallejo's early poetry, his niece (Otilia Vallejo Gamboa) and the woman he met in Lima (Otilia Villanueva Pajares).

Minesweeper (Special Forces, Book 2) Apr 08 2021 "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

**When a Duchess Says I Do** Sep 01 2020 Treat yourself to a delightful Regency romance with a fairy-tale twist "much in the manner of Mary Balogh." (Kirkus) Duncan Wentworth once tried his hand at rescuing a damsel in distress long ago, and he's vowed he'll never make that mistake again. Yet when he comes across a stranger in the poacher-infested woods of his estate, decency compels him to offer the lady aid. Matilda is whip-smart, she can read Duncan's horrible penmanship, and when she wears his reading glasses all Duncan can think about is naughty Latin poetry. Widowed duchess Matilda Wakefield can't entrust her secrets to Duncan without embroiling him in the problems that sent her fleeing from London, but neither can she ignore a man who's honorable, a brilliant chess player, and maddeningly kissable. She needs to stay one step ahead of the enemies pursuing her, and falling into Duncan's arms is a distraction she can't afford-or they'll both pay the price. *The Book of Night Women* May 29 2020 From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." -- The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. *The Night Women*, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.
