A gripping suspense novel, A Slow Burn is about courageous love, the burden of regret, and the bonds that never break. It is about the beauty and pain of telling the truth and letting God take over. Mary DeMuth's distinctive new voice in Christian fiction will keep readers enthralled as they ask soul-searching questions

in this second book of the Defiance, Texas Trilogy. Like few other works of contemporary literature, Elena Ferrante's Neapolitan novels found an audience of passionate and engaged readers around the world. Inspired by Ferrante's intense depiction of female friendship and women's intellectual lives, four critics embarked upon a project that was both work and play: to create a series of epistolary readings of the Neapolitan Quartet that also develops new ways of reading and thinking together. In a series of intertwined, original, and daring readings of Ferrante's work and her fictional world, Sarah Chihaya, Merve Emre, Katherine Hill, and Jill Richards strike a tone at once critical and personal, achieving a way of talking about literature that falls between the seminar and the book club. Their letters make visible the slow, fractured, and creative accretion of ideas that underwrites all literary criticism and also illuminate the authors' lives outside the academy. The Ferrante Letters offers an

improvisational, collaborative, and cumulative model for reading and writing with others, proposing a new method the authors call collective criticism. A book for fans of Ferrante and for literary scholars seeking fresh modes of intellectual exchange, The Ferrante Letters offers incisive criticism, insouciant riffs, and the pleasure of giving oneself over to an extended conversation about fiction with friends. #1 bestselling author Maya Banks continues her suspenseful and steamy Slow Burn series with this second book—a twisting tale featuring a strong yet vulnerable heroine in danger and the sexy alpha hero who must save her. And she's definitely made an impression—stirring a hornet's nest of old secrets with her research into Lost Harbor's forgotten past. Seems the only person in her corner is her new coworker, a Scottish chef who's as surly as he is sexy—and a close friend. Which means hands off. Alastair Dougal first visited Lost Harbor seeking answers to his sister's tragic death, but the charming town keeps calling him back, again and again. Now he's taken temporary work and has become unlikely friends with a nerdy redhead who's equal parts quirky and exasperating. sensual hottie. Busy trying to uncover old secrets, Ruthie and Alastair don't want to ruin their friendship...until one wild beach bonfire puts them on course for a slow burn by starlight. A classic fairy tale gets a sexy, edgy twist. Jackson "The Beast" Boudreaux is rich, gorgeous, and unbelievably rude to the staff at Chef Bianca Hardwick's New Orleans restaurant. Then Jackson makes another outrageous request: Marry me. The unconventional offer includes an enormous sum--money Bianca desperately needs, even if it does come with a contract--and a stunning ring. The heir to a family bourbon dynasty, Jackson knows the rumors swirling around him. The truth is even darker. Still, he needs a wife to secure his inheritance, and free-spirited, sassy Bianca would play the part beautifully. Soon, though,

their simple business deal evolves into an emotional intimacy he's built walls to avoid. Is falling for your fake fiancé the best happy ending...or a recipe for disaster? From the New York Times bestselling author of *We All Looked Up* comes the second novel in the Anchor & Sophia trilogy, where the rules of humanity are called into question by two warring cities. The problem is, his brother Johnny has a new girlfriend. And Addie is her sister. Last, Toby would do nothing to hurt Johnny's chance at happiness. Boston PI Spenser faces a hot case and a personal crisis in this adventure in Robert B. Parker's iconic New York Times bestselling series. The fire at a boarded-up Catholic church raged hot and fast, lighting up Boston's South End and killing three firefighters who were trapped in the inferno. A year later, as the city prepares to honor their sacrifice, there are still no answers about how the deadly fire started. Most at the department believe it was just a simple accident: faulty wiring in a century-old building. But Boston

firefighter Jack McGee, who lost his best friend in the blaze, suspects arson. McGee is convinced department investigators aren't sufficiently connected to the city's lowlifes to get a handle on who's behind the blaze—so he takes the case to Spenser. Spenser quickly learns not only that McGee might be right, but that the fire might be linked to a rash of new arsons, spreading through the city, burning faster and hotter every night. Spenser follows the trail of fires to Boston's underworld, bringing him, his trusted ally Hawk, and his apprentice Sixkill toe-to-toe with a dangerous new enemy who wants Spenser dead, and doesn't play by the city's old rules. Spenser has to find the firebug before he kills again—and stay alive himself. Kath Weston's powerful collection of essays, *Long, Slow Burn*, challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along. To deny this one would have to overlook Kinsey's pioneering sex research in

the 1950s, or the psychiatrist Evelyn Hooker's pathbreaking study of homosexuality, but also in the "sex talk" that lies at the heart of classic debates on kinship, inequality, cognition, and other foundational topics in the social sciences. What is different now, Weston claims, is the way sexuality has been isolated from other contemporary issues. Not content with its ghettoization as a contained subfield, Weston refuses to draw an artificial line around sexuality. A wallflower gets seduction tips from a playboy athlete--until love changes the rules. Socially awkward Joellen Bixby has a date every Saturday--with her cat, a pint of ice cream, and fantasies of the way-too-handsome Michael Maddox. Cameron McGregor is a cocky, tattooed Scottish rugby captain who just moved in next door. He's not Jo's type--at all--but the notorious playboy is

offering to teach the wallflower everything he knows about inspiring desire. Though a lot of women have rumbled Cam's kilt, Jo is special. Far from the ugly duckling she thinks she is, in Cam's eyes she's sharp, funny, and effortlessly sexy. Now, thanks to him, Jo is blooming with confidence and has the man of her dreams within reach. Unfortunately for Cam, he's just helped to push the woman of his dreams into the arms of another man--and now he's in the fight of his life to keep this beauty from getting away. #1 USA Today and New York Times bestselling author Maya Banks continues her suspenseful and sizzling Slow Burn series with the fifth book featuring the men and women of Devereaux Security Services. Raised in a strict religious cult since she was a young girl, Jenna has no connection to the outside world beyond vague flashes of memory that seem to be from another life. Memories she clings to when the cult leaders discover her extraordinary ability to heal—and punish her. Years held captive and

forced to do the cult's bidding have turned Jenna into a meek, timid woman...or so they think. In truth, she is merely biding her time, waiting for the perfect moment to escape. When a terrified young woman tries to steal the SUV of Devereaux Security's toughest recruit, Isaac's anger quickly turns into a strange sort of protectiveness for the beautiful, bruised stranger. But when they are caught in a firestorm of bullets and Isaac is hit, he's sure the end is near, until Jenna touches him and closes his wounds. As he tries to bring Jenna to safety, she refuses to tell him what danger haunts her or how she healed him, but Isaac vows to do whatever it takes to gain her trust...and her heart. Because with just one touch, Isaac knows he wants Jenna to be his—forever. As Chantelle and Bain grow more in love, Bain realizes he can not keep his relations to Samantha a secret anymore. While Bain struggles with what to do, Chantelle is confused on her feelings. After being closed off for so long, she doesn't know

how to confess her love for Bain. Will the two be able to come clean? Or will their stubbornness tear them apart? Fourteen years have passed since the virus ripped through the global population, crushing the modern world and leaving the cities crawling with the infected. The immune who survived the violence of the collapse fled to remote havens like Balmorhea, a tiny town in the desert of far West Texas. There, a few hundred normals made a go of it, building walls, farming the dry dirt, and learning to thrive together. With them, Zed and Murphy, survivors of the infection are different but still human. Distrusted and despised because of what they are, they're still the first to fight when the hordes maraud out of the wastes. Now, a new menace is lurking beyond the horizon, threatening to destroy everything they've built. Will they survive the savage violence sweeping across the desert, or will they be consumed by the FIRESTORM? A new flu strain has been spreading across Africa, Europe, and Asia.

Disturbing news footage is flooding the cable news channels. People are worried. People are frightened. But Zed Zane is oblivious. Zed needs to borrow rent money from his parents. He gets up Sunday morning, drinks enough tequila to stifle his pride and heads to his mom's house for a lunch of begging, again. But something is wrong. There's blood in the foyer. His mother's corpse is on the living room floor. Zed's stepdad, Dan is wild with crazy-eyed violence and attacks Zed when he comes into the house. They struggle into the kitchen. Dan's yellow teeth tear at Zed's arm but Zed grabs a knife and stabs Dan, thirty-seven times, or so the police later say. With infection burning in his blood, Zed is arrested for murder but the world is falling apart and he soon finds himself back on the street, fighting for his life among the infected who would kill him and the normal people, who fear him. Notorious and ruthless, playboy Zachary Denning can have any woman he wants. Except Makenna Helton. Extremely self-conscious, the

skeptical beauty doesn't trust the scoundrel's intentions, and she refuses to fall for the sinfully gorgeous billionaire, no matter how tempting he is. Zachary is accustomed to getting his heart's desire, even if it means destroying every obstacle in his way. He's dead set on winning Makenna's heart, as well as her complete surrender. She will learn the hard way that Zachary is playing for keeps. I put out fires for a living. I can take some heat. But Maisie drives me crazy. She's smart-mouthed, sarcastic and argumentative. This town's too small for both of us. But she works for me. Unfortunately. It's a big no-no for me to f*ck her. Every time I lay eyes on her, I want to throw her over my shoulder and find the closest place to get my hands all over her curvy body. Her eyes flash, her sweet a** swings, and her smart mouth makes my c*ck so hard it aches. There are different kinds of fire, and this one will make her panties melt. A sizzling story of a woman who risks her life and her heart to find a wealthy

man's missing sister—the first novel in a sexy new romantic suspense series from #1 New York Times bestselling author Maya Banks When Caleb Devereaux's younger sister is kidnapped, this scion of a powerful and wealthy family turns to an unlikely source for help: a beautiful and sensitive woman with a gift for finding answers others cannot. While Ramie can connect to victims and locate them by feeling their pain, her ability comes with a price. Every time she uses it, it costs her a piece of herself. Helping the infuriatingly attractive and impatient Caleb successfully find his sister nearly destroys her. Even though his sexual intensity draws her like a magnet, she needs to get as far away from him as she can. Deeply remorseful for the pain he's caused, Caleb is determined to make things right. But just when he thinks Ramie's vanished forever, she reappears. She's in trouble and she needs his help. Now, Caleb will do risk everything to protect her—including his heart. . . . For two veteran police officers and their small

group of friends, the first day of the outbreak starts out like any other until they are confronted with a new and unexpected enemy. Each one of them is forced to confront the unthinkable. Zombies are real, and craving the living with an insatiable appetite. Against the full specter of a society crumbling around them, and the dead stalking the living in the streets, it will take all of their skill, knowledge and courage to survive. Yet, amongst it all, they still face enemies among the living as well. Armed gangs free to roam the streets. Powerful men who want to play politics with people's lives, and wolves in sheep's clothing. Together, the group faces an uncertain future as they struggle against relentless enemies, living and dead, in a devastated America. Matvei, the Russian mercenary, had been poised to carve out his own empire from the ashes of humanity. Horribly underestimating the enemy he now faced, the once leader of an army struggles to survive against the very creatures he helped create. For

Mike and Stephen, the idea to use an abandoned prison as a modern day fortress was brilliant. Solid stone walls protected them and their growing group of survivors against the relentless advance of the undead howling for their blood, giving the people inside a sense of hope in these dark days. Utilizing the skills and knowledge of the people sheltered inside, they had turned the old prison into a working community. They had shelter, food, and weapons to combat the dead. What could go wrong? In a nearby conclave was Father Kettle. He was a man used to his position of authority as a man of God to get anything he desired. Now, along with a congregation of ruthless murderers, he desires everything the survivors hold dear. Father Kettle's personal assassin, Jonas, had infiltrated the prison to undermine their cause. Joining their conspiracy, burning with the need for revenge is former Councilman Lewis. All the while, far to the north in the burning remnants of Chicago, the countless eyes of an undead host, filled with

hunger and rage, looked to the south... Anti-hero (noun): 1) A powerful and charismatic man lacking moral character 2) A magnificent bastard 3) Killian Black You don't know me. You think you do, but you don't. The only thing you know is my name, and even that's a lie. I'm king of Boston, lord of criminals, ruler of an underworld empire. Or am I? Only one thing's for sure: I operate alone. Until I cross paths with a brazen little thief who sets my whole kingdom on fire. Just as two wrongs don't make a right, two villains don't belong together. Especially since she's the daughter of my most deadly enemy. Taking her would start a war. Keeping her would be suicide. Making her mine would break every code of honor and defy all common sense. Then again, where's the fun in following the rules? Will their second chance burn hot enough to singe away the past? Only in this *Dynasties: Seven Sins* novel from USA TODAY bestselling author Janice Maynard! The prodigal playboy is back and nothing is the same... ..except the

attraction that still sizzles between Jake Lowell and the woman he left behind. But the globe-trotting bachelor is in for a surprise! Nikki Reardon is now a mother—to the daughter he never knew. He once blamed Nikki for the fall of his iconic family...now he can't resist her. Will their slow burn spark a second chance or burn down all they hold dear? From Harlequin Desire: *Luxury*, scandal, desire—welcome to the lives of the American elite. A *DYNASTIES NOVEL* Is passion the only path to redemption? *EXPERIENCE SEVEN SINS* Book 1: *Ruthless Pride* by Naima Simone Book 2: *Forbidden Lust* by Karen Booth Book 3: *Insatiable Hunger* by Yahrah St. John Book 4: *Hidden Ambition* by Jules Bennett Book 5: *Reckless Envy* by Joss Wood Book 6: *Untamed Passion* by Cat Schield Book 7: *Slow Burn* by Janice Maynard *Slow Burn* had its impetus in a one-paragraph, 1903 news article, reporting that the city council had voted to plank or gravel Powell Blvd and Milwaukee Ave. after being warned by the Fire Insurance

Underwriter's Board that the city's continued failure to make the two roads passable during wet weather would result in all structures in that area being uninsurable. This organization's impact in this instance triggered the author's research into both the firefighters' working conditions and the Underwriter's Board. Slow Burn's release, on June 26, 2018, marked the 105th David Campbell memorial service at Portland's Firefighters' Memorial Park on Portland's West Burnside. Campbell, Portland's most beloved fire chief, was killed in 1911 during a Standard Oil tank fire on the city's east side. He was the first to enter the building, intent on insuring it was safe for his firefighter crew to enter. This seventh book in the award-winning Sage Adair historical mystery series features Campbell and the firefighters he died to protect. Interwoven within this tale of courage and sacrifice is the equally compelling story of how Portland's black community addressed the growing racism of the nation's post-

reconstruction era. Ordered to a mysterious late night meeting Sage Adair is suddenly thrust onto firefighting's front lines and into the lives of Portland's firefighters. Concerned by the reality of early 1900's firefighting, Sage is soon hunting the arsonist who is burning down the city and framing innocent men for his crimes. Relying on original source material, contemporary news reports and firsthand accounts, this is an accurate portrayal of the lives of Portland's firefighters at the turn of the 20th century as well as a depiction of the black community's resilience in the face of that era's rising racism. Slow Burn: Infected picks up the story of Zed, Murphy, and Jerome where Slow Burn: Zero Day ended. All three have all been infected but have not succumbed to the most pernicious symptoms of the virus. They're not the mindless cannibals that most infected are. Nevertheless, their band of survivors, fearful about the trio's infections, have ostracized them. Now, back on the street, with weapons to defend themselves but little

food in their packs, they embark on a search for Murphy's family while following the rumor of a safe haven in the form of a doomsday bunker under a house in east Austin. But the world is more hazardous than they could have guessed. They expect violence from the voracious infected but they have harsh lessons to learn about the lethality of the uninfected. And without people to support the infrastructure of modern civilization, they find that danger comes in many forms. In Yugoslavia from the late 1960s to the late 1980s, state-supported Student Cultural Centers became incubators for new art. This era's conceptual and performance art--known as Yugoslavia's New Art Practice--emerged from a network of diverse and densely interconnected art scenes that nurtured the early work of Marina Abramović, Sanja Iveković, Neue Slowenische Kunst (NSK), and others. In this book, Marko Ilić offers the first comprehensive examination of the New Art Practice, linking it to Yugoslavia's experience with socialist self-management and the political upheavals of the 1980s. A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the

most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic--from NYC and all the way to Spain--for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or

was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados.
