Grow a Living Wall Oct 02 2020 Sometimes called "Green Walls" or "Vertical Gardens," living walls are easier than ever to plan and grow! Grow a Living Wall is the first wall-garden book to focus exclusively on the needs of home gardeners. Make your vertical garden environmentally friendly and sustainable. It's easy with author Shawna Coronado's help her themed vertical gardens is stocked mostly with flowers to make it a haven for bee pollinators. Other gardens are filled with vegetables and herbs so anyone with an outdoor can grow their own food - beautifully! Even more gardens promote aromatherapy or medicinal plants. Some are designed to provide a green net of air filtration near a living area, or exterior walls from exposure to direct sunlight, which helps to keep the indoors cool. to the comprehensive, step-by-step information that explains the basics of vertical gardens each of the 20 featured gardens has its own chapter filled with useful tips, stunning photography, and fascinating background stories that point out how much difference a garden can make. Like author Shawna herself, the gardens you'll find in Grow a Living Wall are positive, life affirming, and sure to produce a smile or two.

Over the Woodward Wall [May 29, 2020](#) Writing as A. Deborah Baker, New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of trees and sarcastic owls, of dangerous mermaids and captivating queens in Over the Wall, an exceptional tale for readers who are young at heart. If you trust her you'll never let it home... Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework – without complaint, without fuss, without prompt. Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can be predicted, except for the fact that she can always be relied upon to be unpredictable. They live on the same street. They live in different worlds. On an unplanned detour from home one morning, Avery and Zib find themselves climbing over a stone wall into the Up and an impossible land filled with mystery, adventure and the strangest creatures. And they find themselves and each other if they are to also find their way out and back to their home. The Velveteen Rabbit [Feb 06, 2021](#) "Here was once a velveteen rabbit, and in the beginning he was really splendid. He was fat and bunchy, as a rabbit should be; his coat was spotted and white, he had real thread whiskers, and his ears were lined with pink sateen. One morning, when he sat wedged in the top of the Boy's stocking, with a sprig of holly between his paws, the effect was charming." First published in 1922, Margery Williams's beloved classic tale of a toy rabbit's quest to become real has enchanted adults and children alike. After accompanying the Boy on many adventures, the Rabbit learns of his tragic fate—and upset outside on the eve of his destruction, magic happens. Originally illustrated by William Nicholson, this beloved story has been adapted for stage and screen numerous times since its publication. Be it mystery, romance, drama, comedy, politics, or history, great literature passes the test of time. ClassicJoe proudly brings literary classics to today's digital readers, offering those who love to read with authors whose work continues to get people talking. A Wall of Our Own [Oct 26, 2022](#) The Berlin Wall is arguably the most prominent symbol of the Cold War era. Its construction in 1961 and its dismantling in 1989 are broadly understood

pivotal moments in the history of the last century. In *A Wall of Our Own*, Paul M. Farber the Berlin Wall as a site of pilgrimage for American artists, writers, and activists. During the Cold War and in the shadow of the Wall, figures such as Leonard Freed, Angela Davis, Shinkichi Tajiri, and Audre Lorde weighed the possibilities and limits of American democracy. All were sparked by their first encounters with the Wall, incorporated their reflections and artworks directed toward the geopolitics of division in the United States, and considered divided Germany as a site of intersection between art and activism over the respective phases of their careers. Departing from the well-known stories of Americans seeking post-War Paris for their own self-imposed exile or traveling the open road of the domestic interstate highway system, Farber reveals the divided city of Berlin as another destination for Americans seeking a critical distance. By analyzing the experiences and cultural creations of "American Berliner" artists and activists, Farber offers a new way to view not only the Wall itself but how the Cold War still structures our thinking about freedom, repression, and artistic expression on a global scale.

The Boy Who Built a Wall Around Himself June 22 2022 Boy built a wall to keep himself safe. Behind it he felt strong and more protected. Then Someone Kind came along. She bounced a ball, sang and painted on the other side of the wall, and Boy began to wonder if life on the other side might be better after all. Written for children aged 4 to 9, this gentle full-colour picture book uses a simple metaphor to explain how children who have had painful or traumatic experiences can build barriers between themselves and other people. It will help children explore their feelings and encourage communication.

The Wall Feb 18 2022 'Imagine a horizon.' 'I can't.' Mithila's world is bound by a Wall enclosing the city of Sumer -- nobody goes out, nothing comes in. The days pass as they do for two thousand years: just enough to eat for just enough people, living by the rules. Within the city, everyone knows their place. But when Mithila tries to cross the Wall, every power comes together to stop her. To break the rules is to risk all of civilization collapsing. But to follow them is to never know: who built the Wall? Why? And what would the world look like if it didn't exist? As Mithila and her friends search for the truth, they must risk losing their families, the ones they love, and even their lives. Is a world they can't imagine worth the only world they have? For fans of Isaac Asimov's *Nightfall* and Ursula Le Guin's *The Dispossessed* comes an astonishingly powerful voice in speculative fiction that explores what it means to truly know your world.

A Wall of Light Sep 20 2019 "I am Sonya Vronsky, professor of mathematics at Tel Aviv University, and this is the story of a day in late August. On this remarkable day I kissed a student, pursued a lover, found my father, and left my brother." So begins *A Wall of Light*, a novel which chronicles a single day in the life of Sonya, a thirty-two-year-old deaf woman determined to break out of her predictable routine. Sonya lives in Tel Aviv with her protective half-brother Kostya; their household has dwindled from five to two. Anna, their mother, is now in a home and Noah, Kostya's son, is living in Berlin. Kostya, wracked with guilt for the tragedies that have befallen Sonya, also grapples with the memory of his wife, Iris, a lawyer murdered in the course of a dangerous investigation seventeen years earlier. As we move through the day, Noah and Anna narrate their stories as well. Noah's journal entries cover the years 1980-1993, and Anna's letters to Andrei, her married lover in Russia, are written in 1993. Anna has emigrated to Israel to build a new life for herself and her son, Kostya. While the story moves rapidly through the events of a single day, Noah and Anna's voices take the reader back in time, filling in the circumstances that have led Sonya to this pivotal moment. We learn that Sonya has already endured two catastrophes. At age twelve, a medical mishap left her deaf, and at eighteen, while studying at university in Beersheba, Sonya is assaulted by a group of hoodlums. Throughout the novel, Sonya's experiences, instigated by both human error and human evil, are echoed by the larger, political violence that haunts modern Israel. While Noah's and Anna's voices shed light on Sonya's journey, they also provide insights into the political and cultural fabric of Israel from the mid 1950s to the present. Noah's journal starts with his tenth birthday and ends shortly after his army service, mapping his coming of age. We see him wrestling with his sexual identity and first sexual encounters, the fall of his mother's leftist politics, and his own conscription to the army. Anna's secret letters to Andrei offer an outsider's perspective on the new Israeli state. The remarkable events of Sonya's day are set in motion when her brother gives her an antihistamine. Overcome by sleepiness, she dismisses her morning class early, asking only one student, Matar, to stay behind. She wants to understand what lies behind his unusual expression. He answers that he has been involved in war crimes, and surprises Sonya by kissing her. Sonya feels that she has been roused from a long slumber and as the novel progresses we see the ways in which her awakened desire shapes her choices. She decides to take a taxi home from the university; she impulsively invites the taxi driver inside and seduces him. He complies, but when she tells him she's deaf, he flees in confusion. Sonya is convinced that she has fallen in love with him and decides to pursue him. She solicits her brother's help and sets out to find her lover. Sonya's search gains in intensity and purpose as she travels to East Jerusalem. There she encounters the walls that prevent Palestinians from moving freely through the West Bank. After an Alice-in-Wonderland-like journey past numerous obstacles, Sonya finally makes it to her lover's apartment. This second encounter leads Sonya to a central revelation: the identity of her father. As the day of awakened desire and dispelled secrets closes, Sonya is able to step out from under the protective wing of her brother into a life that reflects both the ambiguity and uncertainty of the world.

contemporary Israel and her own personal possibilities.

The Wall Sep 25 2022 A timeless fable about unity and breaking down barriers from four-time Caldecott Honor-winner Leo Lionni. All her life Tillie the mouse has wondered what lies on the other side of the wall. Imagining all sorts of fantastic possibilities, she digs to get to the other side, where she discovers . . . other mice, just like her! Together, with her friends work to bring down the wall and unite mouse-kind. Written just before the fall of the Berlin wall, this seemingly simple fable has a powerful message for all children—and all adults.

Against the Wall Jun 29 2020 Surveying the proposed site for a high-end golf course should have been a breeze for spunky landscape architect Sophie Smith. But when this born-and-raised city girl is literally swept off her feet by a sexy cowboy on horseback, she realizes cowboy has some serious (and seriously steamy) possibilities. That is, until she finds out exactly what this smoking hot wrangler really is. Tribal lawyer Jake Lodge is desperately trying to block the development. And if that means playing hardball, so be it. But Sophie is a distraction he can't expect. A distraction that makes his blood burn. Two different worlds. Two opposing sides. When they finally give into temptation, the consequences will shake the foundations of their lives... Each book in the Maverick Montana series is a standalone story that can be read out of order. Series Order: Book #1 Against the Wall Book #2 Under the Covers Book #3 Assets Book #4 Over The Top

The Wall Nov 27 2022 A king and his servant learn about the benefits of diversity and the damage that barriers can do in this colorful tale. In this moving and valuable story, a king banishes anyone who looks different than him and builds a wall to keep them away. His kingdom was once flourishing with singers and sculptors, dancers and astronomers, and everyone lived in harmony between. Now, most of the people are gone. Once he sees how lonely his side of the wall has become, he realizes where he went wrong and gains a new appreciation for his diverse and talented kingdom. With a visually engaging style that makes a complex lesson simple, the book shows children how a community can be harmed when barriers are built and how it thrives when people come together. "The Wall shows in brilliant color just how vibrant your life can be when you break down barriers and work toward inclusion, which is a wonderful message for readers of any age." —Katherine Kleffner, blogger, The Nerdy Girl Express "A clever ebb and flow of colors and shapes that will have young readers, as well as the king, quickly seeing the errors of exclusionary ways."—Foreword Reviews "The Wall: A Timeless Tale is a joyful celebration of diversity, bar none!" —Storywraps "Macri and Zanotti . . . make it clear that shutting people out only weakens a kingdom, and they do it with laughter, not argument." —Publishers Weekly This is a fixed-format ebook, which preserves the design and layout of the original print book

14 Miles Apr 08 2021 An esteemed journalist delivers a compelling on-the-ground account of the construction of President Trump's border wall in San Diego—and the impact on the local residents. In August of 2019, Donald Trump finished building his border wall—at least a portion of it. In San Diego, the Army Corps of Engineers completed two years of constructing a 14-mile steel beamed barrier that extends eighteen-feet high and cost a staggering

million. As one border patrol agent told reporters visiting the site, "It was funded and built under his administration. It is Trump's wall." 14 Miles is a definitive account of all the dramatic construction, showing readers what it feels like to stand on both sides of the border looking up at the imposing and controversial barrier. After the Department of Homeland Security announced an open call for wall prototypes in 2017, DW Gibson, an award-winning journalist and Southern California native, began visiting the construction site and watching the prototype samples were erected. Gibson spent those two years closely observing and interviewing local residents to understand how it was impacting them. These include McKee, a border patrol agent leading a recruiting program that trains teenagers to work as agents; Jeff Schwilk, a retired Marine who organizes pro-wall rallies as head of the group Diegans for Secure Borders; Roque De La Fuente, an eccentric millionaire developer who sees the construction as a promotional opportunity; and Civile Ephedouard, a Haitian refugee who spent two years migrating through Central America to the United States and anxiously awaiting the results of his asylum case. Fascinating, propulsive, and incredibly timely, 14 Miles is an important work that explains not only how the wall has reshaped our landscape and our lives but also how its shadow looms over our very identity as a nation.

[A Wall in Palestine](#) Jan 10 2021 The West Bank Barrier is expected to be completed in 2023. Declared illegal by the United Nations International Court of Justice, this network of concrete walls, trenches, and barbed-wire fences could permanently redraw one of the most disputed property lines in the Middle East--the Green Line that separates Israel and the West Bank. In Israel the "security fence" is intended to keep Palestinian terrorists from entering its territory. But to Palestinians the "apartheid wall" that sliced through orchards and houses, and separated family members from one another, is a land grab. In this comprehensive book, Backmann not only addresses the barrier's impact on ordinary citizens, but how it will shape the future of the Middle East. Though it promises security to an Israeli population weary of terrorism, it is also responsible for the widespread destruction of Palestinian homes and farmland; with its Byzantine checkpoint regulations, it has also severely crippled the Palestinian economy. In the most urgent, the barrier often deviates from the Green Line, appropriating thousands of acres of land, effectively redrawing the boundary between the West Bank and Israel. Backmann interviews Israeli policy makers, politicians, and military personnel, as well as Palestinians living throughout the West Bank, telling the stories not only of the barrier's architects but also of those who must reckon with it on a day-to-day basis on the ground. With bold, brilliant, and often impassioned reportage, A Wall in Palestine renders the West Bank Barrier--its purpose, its efficacy, its consequences--as no book before.

[Beyond the Wall of Time](#) Mar 07 2021 The blinding desire for revenge brings a world to the brink of disaster they must enter Andratan, the fortress from which no one returns, to save the world... the Gods are ravaging the world and Lenares has the power to stop them - if only her companions to believe her. The Wall in the Middle of the Book 28 2022 A foolish knight is certain that his side of the wall is the safe side in this clever, amusingly meta picture book by the acclaimed creator Only Stanley There's a wall in the middle of the book, and our hero--a young knight--is the wall protects his side of the book from the dangers of the other side--like an angry giant rhino, and worst of all, an ogre who would gobble him up in a second! But our knight doesn't seem to notice the crocodile and growing sea of water that are emerging on his side. When he's almost over his head and calling for help, who will come to his rescue? An ogre who isn't as dangerous as the knight thought--from a side of the book that might just offer positive things to offer after all!

Everyday Life of a Soldier on Hadrian's Wall 20 2022 Walk the Wall, gaze northwards across hostile territory, man the turrets and milecastles... What was life like for the Roman troops stationed on Hadrian's Wall? Follow the life of one man, a Tungrian soldier, through recruitment, training, garrison duty and war. Focussing on a single point in time and on the Wall, we explore every aspect of military life on this bleak and remote frontier. Where was he born? What did he spend his money on? How did he fight? What did he eat? Did he have lice or fleas? Archaeology and the accounts of ancient writers come together to paint a vivid picture of a soldier on the Wall soon after its completion in AD 130. Historical reconstruction and experimentation fill in the gaps that are left. Step back into the past, step into the muddy boots of Tungrian soldiers as they patrol Rome's greatest frontier. 21 black-and-white photographs and maps and 34 colour illustrations

Structural Properties of Two "Dunstone" Wall Constructions Sponsored by the W.E. DuRoi Manufacturing Co Oct 22 2019

Walls Jul 11 2021 "A lively popular history of an oft-overlooked element in the development of human society" (Library Journal)—walls—and a haunting and eye-opening saga that reveals a startling link between what we build and how we live. With esteemed historian David Mumford as our raconteur-guide in Walls, which Publishers Weekly praises as "informative, relevant, and thought-provoking," we journey back to a time before barriers of brick and stone even existed—to an era in which nomadic tribes vied for scarce resources, and each man won a life of struggle. Ultimately, those same men would create edifices of mud, brick, and stone with them effectively divide humanity: on one side were those the walls protected; on the other those the walls kept out. The stars of this narrative are the walls themselves—rising up as ancient and exotic as Mesopotamia, Babylon, Greece, China, Rome, Mongolia, Afghanistan, the lower Mississippi, and even Central America. As we journey across time and place, we discover a hidden, thousand-mile-long wall in Asia's steppes; learn of bizarre Spartan rituals; watch Mongol chieftains lead their miles-long hordes; witness the epic siege of Constantinople; chill at the fate of French explorers; marvel at the folly of the Maginot Line; tense at the gathering crisis in Cold War Berlin; gape at Hollywood's gated royalty; and contemplate the wall mania of our own era. Hailed by Kirkus Reviews as "provocative, well-written, and timely," Walls gradually reveals the startling way walls rising everywhere on the planet—timely," Walls gradually reveals the startling way walls barriers have affected our psyches. The questions this book summons are both intriguing

profound: Did walls make civilization possible? And can we live without them? Find out in this masterpiece of historical recovery and preeminent storytelling.

The Wall Aug 12 2021 One of the Time 100 Best Fantasy Books Of All Time In a much-anticipated sequel to the "magnificent fantasy epic" (NPR) *Grace of Kings*, Emperor Kuni Garu is faced with the invasion of an invincible army in his kingdom and must quickly find a way to defeat the intruders. Kuni Garu, now known as Emperor Ragin, runs the archipelago kingdom of Dara, but struggles to maintain progress while serving the demands of the people and his vision. Then an unexpected invading force from the Lyucu empire in the far distance comes to the shores of Dara—and chaos results. But Emperor Kuni cannot go and lead his kingdom against the threat himself with his recently healed empire fraying at the seams, so he sends the only people he trusts to be Dara's savvy and cunning hopes against the invading invaders: his children, now grown and ready to make their mark on history.

Humpty Dumpty Lived Near a Wall Oct 01 2020 "Wickedly, subversively brilliant." - Kirkus Reviews (Starred Review) "This book cracked me up and left a smile on my face (spoiler alert)." —Adam Rubin, #1 New York Times best-selling author of *Dragons Love Tacos* Looks like the classic tale has finally met its match. This classic tale gets a modern twist with a Humpty Dumpty generation. "Humpty Dumpty lived near a wall..." begins this well-known fable. But this Humpty is ready for battle, with a secret mission and a touch of mischief. Can all the horses and all the King's men help put Humpty together again? Or maybe the mission, how small, is simply to question the point of a wall.

The Great Great Wall Dec 16 2021 "Timely and highly readable . . . provides a valuable backdrop to Donald Trump's insistence on a barrier across America's southern border." —Robert Dallek, presidential historian During his campaign for the presidency, one of Donald Trump's signature promises was that he would build a "great great wall" on the border between the US and Mexico, and Mexico was going to pay for it. Now, with only a few segments erected, the wall is the 2,000-mile, multibillion-dollar elephant in the room of contemporary American life. In *The Great Great Wall*, architectural historian and critic Mark Volner takes a fascinating look at the barriers that we have built over millennia. Traveling on foot, by airfield, to China, the Middle East, Europe, and along the U.S. Mexico border, Volner examines famous, contentious, and illuminating structures, and explores key questions: Why do we build walls? What do they reveal about human history? What happens after they go up? With attention to Trump's wall and the walls that exist along the US border already, this is an absorbing, smart, and timely book on an incredibly contentious and newsworthy topic. "A work of literary alchemy that transmutes the wall, a simple architectural structure, and of its political metaphor, into a prism through which to view the panorama of human history. This book will amaze, delight, and enchant even the most jaded nonfiction aficionado." —William Bernstein, award-winning author of *The Delusions of Crowds* "A global journey to some of history's most significant walls—China, Berlin, and even Jericho—weaving together a fascinating account of their foundational myths and current realities." —Carrie Gibson, author of *E*

The Wall Sep 13 2021 "I can allow myself to write the truth; all the people for whom I have cared throughout my life are dead..." writes the heroine of Marlen Haushofer's *The Wall*, a quiet, ordinary, unnamed middle-aged woman who awakens to find she is the last living human

Surmising her solitude is the result of a too successful military experiment, she begins terrifying work of not only survival, but self-renewal. The Wall is at once a simple and talk – of potatoes and beans, of hoping for a calf, of counting matches, of forgetting the sugar and the use of one's name – and a disturbing meditation on 20th century history.

Hey, Wall Jul 31 2020 "Verde's unique style and simple yet increasingly important messages of peace, mindfulness, and community make her stories a must-share...A must-purchase." Library Journal (starred review) "Walls do not just create barriers and divide spaces. They can be canvases for artmaking; opportunities to shape a community." —The Horn Book "This book of urban renewal sends a welcome double message by Verde: neighbors and neighborhoods are more than the way they look, and ordinary people can band together to transform big problems." —Publishers Weekly A boy takes on a community art project in order to make his neighborhood more beautiful in this empowering and inspiring picture book by Susan Verde, stunningly illustrated by award-winning artist John Parra. One creative boy. One bare, abandoned neighborhood. One BIG idea. There is a wall in Ángel's neighborhood. Around it, the community bustles with life: music, dancing, laughing. Not the wall. It is bleak. One boy decides to change that. He can't do it alone. Told in elegant verse by Susan Verde and vibrantly illustrated by John Parra, this inspiring picture book celebrates the power of art to tell a story and bring a community together.

Dream Walls Feb 24 2020 Following on from the enormous success of Dream Windows, this new book in the series demonstrates

Wall May 21 2022 This spectacular book follows one boy's struggle to reunite his family across the two sides of the Berlin Wall. Although based around true stories, the wall is symbolic of all separations around the world, whether it be between whole communities or two individuals. Powerful illustrations teamed with an emotive storyline makes this an impressive debut picture book.

A Wall of White Aug 20 2019 One of the most amazing survival stories ever told -- journalist Jennifer Woodlief's gripping account of the deadliest ski-area avalanche in North American history and the woman who survived in the face of incalculable odds. On the morning of January 31, 1982, the snow had already been falling at a record rate for four days at Alpine Meadows ski resort near Lake Tahoe, California. For the vacationers and employees at the resort, the day would change their lives forever. The unprecedented avalanche that day at Alpine Meadows was a once-in-a-lifetime catastrophe. Much like the nor'easter that bedeviled the fishermen in Sebastian Junger's *The Perfect Storm*, an unforeseeable confluence of natural events created conditions for an unimaginable disaster -- and, in one woman's case, an astonishing survival. Jennifer Woodlief movingly tells the story of the massive slab avalanche that killed seven and left one victim buried alive under the snow. In this freak event, millions of tons of snow roared into the ski area and beyond, engulfing unsuspecting vacationers as well as employees working in spite of the danger. At the center of this wrenching tale of nature are ski patrolman Larry Heywood and his team, who heroically fought with the help of a search-and-rescue dog to save a twenty-two-year-old woman trapped for five days underneath suffocating snow -- a tale of survival that is itself an exploration of the capacity of courage. Written with all the suspense of a thriller, *A Wall of White* is an inspiring story of a great

strangers brought together by an inconceivable calamity -- a testament to the unwavering dedication of a band of rebel rescuers, driven only by a commitment to saving lives, but in just extreme conditions but seemingly impossible odds.
