Do's and Don'ts for the Playwright Aug 27 2019 Excerpt from *Do's and Don'ts for the Playwright: A Manual for the Writer of Plays for Amateurs* A manual of this size can only touch briefly on a few points of a large subject. Nevertheless it is hoped that it will contain many valuable hints not only for the novice in play-writing, but for the more experienced writer desirous of preparing plays for the amateur performer, who is creating a demand all his own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Singing Voice Sep 28 2019 Practical hints, advice and information for training and trained performers who need to keep their singing voice in working trim. Not a how-to-sing book! The writing is clear and down-to-earth, spiced with a sense of humor. Witty illustrations, coupled with the author's warm voice, guide the reader through wide-ranging topics vital for singers, actors and other professional performance practitioners. What's the right song for me? Which microphone should I buy? How do I cope with asthma? Eating do's and don'ts for singers? Can I overcome my stage-fright? What to wear to an audition? How does air travel affect my voice? These pills won't harm my voice, will they? Pat Wilson addresses these practical questions, and many more, in the updated 2nd edition of this popular handbook. Well-indexed and reader-friendly, its professionally-focused information is accessible to students, performers and voice teachers alike. "Pat Wilson has written the essential guide for singers of all styles of music." - Robert Marks (Broadway vocal coach) "A useful manual with sound advice and many fresh ideas for students, teachers and performers." - Australian Journal of Music Education (review) "The text is highly engaging, underpinned by scholarly research, yet very accessible and helpful - a joy to read!" -Prof. Graham Welch (Chair of Music Education, Institute of Education, University of London)

Miniature Donkey. Miniature Donkey Owners Manual. Miniature Donkey Care, Environment, Health, Feeding and Breeding. Oct 10 2020 The Miniature Mediterranean Donkey, also known as the Miniature Donkey or simply the mini, hails originally from the Italian islands of Sardinia and Sicily. They are not just very small donkeys but an entirely separate species. They are the smallest of the equines and increasingly popular as pets. This book will introduce you to these little donkeys by discussing their appearance and biology, typical behaviour, reproduction, their feeding needs, socialisation and bonding, how to train them and what makes these adorable equines such wonderful pets. It will also tell you what you need to know in order to decide whether or not this is the pet for you - cuteness factor aside - and, if it is, where to buy one, how to select your mini, what you need to arrange and buy before you bring it home, and how to take proper care of it. The owner must know what these pint-sized, intelligent and very loving equines need with regards to their environment, feeding and social and mental lives in order to be both healthy and happy. The Miniature Mediterranean Donkey is susceptible to several of the same bacterial, parasitic and viral infections that standard donkeys and horses may contract. Anyone who is serious about owning one needs to know how to care for them, what to look for and how to deal with common conditions. Covered in this book: Care Costs Daily care Do's and don'ts Feeding Health History Intelligence One or two Personality Tips on buying Training Travelling ...and much more
