In the final book of the Mile High Romance series, we lose someone we've come to love throughout the series. Simon is working at the kennel to help Alex and Shane get through a hard time. But when tragedy strikes the family, the rebuilding comes after darkness almost allows another tragedy to strike. Switch off those TVs, kill your mobiles and settle down with the most controversial book ever written. Once denounced as 'wicked', 'sordid', 'cheap' 'moral filth', PEYTON PLACE was the top read of its time and sold millions of copies worldwide. Way before TWIN PEAKS, SURVIVOR or BIG BROTHER, the curtains were twitching in the mythical New England town of Peyton Place, and this soapy story exposed the dirty secrets of 1950s small-town America: incest, abortion, adultery, repression and lust. Take a peek ... It wasn't easy for Jason to get over Seth. He doesn't trust alphas, so he continues to search for what he needs from other omegas. It isn't work until he meets Farron. Jason and Farron have an instant connection that gives Jason hope he's finally found what he's looking for. At least until he finds out that Farron is already mated to an alpha. Farron and Garrett have been trying to get pregnant for years, but something has kept that dream from becoming a reality. When Farron brings Jason home, he doesn't expect Garrett to feel that same connection to the young omega that he felt. But it quickly becomes obvious that what the

couple has been missing is a second omega. Jason, Farron, and Garrett give their unconventional relationship a try, hoping their family is complete. And it is...until both omegas realize there are a few more members of their family on the way. Omegas and Their Alpha is a sweet and sexy MPreg story of three men finding the family they were always meant to have. There's lots of knots and love and a couple cute babies at the end. Not everything that happens in Vegas stays in Vegas. As one of the top up-and-coming flair bartenders in the midwest, alpha Corey is excited to put his skills to the test at a competition in Las Vegas. He is ready to take the industry by storm and prove he's the best of the best. When sabotage knocks him out of the competition early, he finds himself with time to kill in the City of Sin. Maybe he can find a little adventure of his own. Omega Joel doesn't travel much, so when his company sends him to Vegas for a conference, he's excited to explore the city that doesn't sleep. The conference might be a snooze fest, but Joel doesn't let that stop him as he ventures out to take advantage of the local sights. Maybe he can find a little adventure of his own. When Joel is denied the opportunity to attend a timeshare presentation in exchange for show tickets just because he's single, Corey, a handsome stranger, jumps in to the rescue and pretends to be Joel's husband. The plan is to get the free tickets for Joel and then go their separate ways, but as these things often go...destiny has a different plan for them. They leave Vegas not knowing they are about to begin the greatest adventure of them all-fatherhood. Topsy Omega is the eighth book in the popular Aria Grace and Lorelei M Hart sweet with knotty heat MM mpreg romance series, Oak Grove. It features an omega who is just looking for an adventure, an alpha who is willing to give it to him, true love, an adorable baby, and a guaranteed happily ever after. If you love your alphas hawt, your omegas strong, and your mpreg with heart, download your copy today. North is the heir to a booming family business. He was due to take control of the company on his thirtieth birthday in six months, but his grandfather has added another stipulation to the deal. North can't take over until he's put down roots and started a family. As an alpha in the prime of his life, North isn't interested in "settling down" and instead hatches a plan to get his hands on the company while avoiding his grandfather's restrictions. Dante has worked at Omega for Hire as an escort for a while now. People usually hire him for short term gigs,

mostly as arm candy to parties and dinners. When he gets an offer to be North's live-in boyfriend for the next six months, he's hesitant to take the offer and bail on all of his regular clients. But the money is too good to turn down and the idea of living in the lap of luxury until North's birthday sounds like a dream. But an unexpected heat and some misplaced suppressants might just turn this temporary situation into a permanent one. From acclaimed British sensation Mal Peet comes a masterful story of adventure, love, secrets, and betrayal in time of war, both past and present. When her grandfather dies, Tamar inherits a box containing a series of clues and coded messages. Out of the past, another Tamar emerges, a man involved in the terrifying world of resistance fighters in Nazi-occupied Holland half a century before. His story is one of passionate love, jealousy, and tragedy set against the daily fear and casual horror of the Second World War -- and unraveling it is about to transform Tamar's life forever. Carson is an alpha with a certain type. He likes omegas in heat. It's not an unusual fetish, but it's definitely an expensive one. Since finding unmated omegas in heat is practically impossible without a little help, he has to pay for his pleasure. Willy is a bit of a late bloomer. At nineteen, he's only recently lost his virginity and still isn't sure what all the fuss over sex is about. So when he gets an offer to force a heat for one of Omega For Hire's best customers, he doesn't think much of it. Just because he's never been in heat before shouldn't make any difference in how he handles this client. And at first it doesn't. But when one night leads to three, they both know something more than paid fun is happening between them. Heat Seeking Alpha is a sexy story about a wealthy alpha, an innocent omega, and the heat they create together. Patricia Grace's classic novel is a work of spellbinding power in which the myths of older times are inextricably woven into the political realities of today. In a small coastal community threatened by developers who would ravage their lands it is a time of fear and confusion -- and growing anger. The prophet child Tokowaru-i-te-Marama shares his people's struggles against bulldozers and fast money talk. When dramatic events menace the marae, his grief threatens to burst beyond the confines of his twisted body. His all-seeing eye looks forward to a strange and terrible new dawn. Potiki won the New Zealand Book Awards in 1987. Book 1 of the Omega House Series, an Alpha/Omega MPreg book. Max was rescued from the

Roger & Associates breeding farm...but he wasn't actually a breeding omega there. He was hidden away for most of his life by a caring beta, just trying to survive. When he gets to Omega House, he's not sure who he can trust, so he keeps everyone at a distance. Until an alpha walks in that stirs feelings in Max that he doesn't understand. They're scary and foreign...and arousing. He tries to fight the pull, but when he's placed in a dangerous situation, only one person is connected enough to help him. An entertaining picture book that teaches the importance of asking for permission first as a young girl attempts to escape the curious hands that want to touch her hair. It seems that wherever Aria goes, someone wants to touch her hair. In the street, strangers reach for her fluffy curls; and even under the sea, in the jungle, and in space, she's chased by a mermaid, monkeys, and poked by aliens...until, finally, Aria has had enough! Author-illustrator Sharee Miller takes the tradition of appreciation of black hair to a new, fresh, level as she doesn't seek to convince or remind young readers that their curls are beautiful--she simply acknowledges black beauty while telling a fun, imaginative story. Book 2 of the Omega House series. (MPreg Alpha/Omega) When Roper & Associates breeding farm was raided, Freddie was rescued from the hell he'd been living in for years. As a pregnant omega, he didn't have many prospects for his future, but at least he was free and would be able to keep this baby. Unlike the others he'd birthed while at R&A. While living at the Omega House, he befriends a homeless omega who is scared and looking for friendship. They provide that for each other, and when the omega's alpha brother comes looking for him, everything in Freddie's life changes. Raising a newborn as a single omega isn't easy, but he finds the support he needs to be the parent all babies deserve. But will he have to do it alone? One Kiss. One Promise. The Magic of Christmas. Omega Everett is ready to be a father. He has a decent job, a nice place to live, and so much love to give. With no delusions of finding the perfect alpha and living happily ever after, he decides to take matters into his own hand-or test tube, anyway-with the help of a fertility clinic. On the day he finally gets the amazing news he's going to be a father, the rest of his world collapses as his company shuts down. Everett's life quickly turns around as he moves to a new city with an amazing new job just as the holiday season begins. Determined to maintain his family's tradition of going out to eat on Christmas Eve, he heads to a place

recommended by his phone, only to find himself arguing with the *maitre d* over getting a table for one. Alpha Graham's dating life had somehow been reduced to blind dates set up by his brother, of all people. When his Christmas Eve date cancels at the last minute, he decides to make the most of it, grabbing a drink at the bar of the up-and-coming restaurant—at least until he sees a hot omega being turned away. He can't let the omega eat alone on Christmas Eve, so he steps in. Sparks fly between the two and the evening ends with a kiss under the mistletoe, sealing their promise to meet again in a year's time, when both men might be in a better place to start something more than a hook-up. The magic of Christmas is sealed with a mistletoe kiss leads the men on a journey to find themselves and their happily ever after. *Promise Under the Mistletoe* is a super-Hallmarky-sweet with-knotty-heat non-shifter Mpreg Christmas Romance complete with a sweet baby, mistletoe, and a trip to see Santa.

"Internationally acclaimed interior design sensation Miles Redd is known for his quirky brand of cozy glamour. His unique aesthetic vision is characterized by a playful *mélange* of high and low, invigorated with whimsical splashes of color and modern gestures. Drawing on inspirations ranging from Richard Avedon fashion photographs to Rene Gruau illustrations, Redd has crafted interiors for a wide array of venues. His trademark approach to design has brought to life rooms infused with boldness, fantasy, and sophistication. This lavishly illustrated volume will be an inspiration to anyone interested in spirited, and eclectic design. Miles Redd embarked on his interior design career after graduating from NYU, honing his skills with luminary antiques dealer John Rosselli and decorator Bunny Williams. In 1998, he opened his own design firm in New York City's NoHo neighborhood and he has been the creative director of Oscar de la Renta Home since 2003. *The Big Book of Chic* gives a glimpse into the inspiration that fuels Redd, and focuses on the pleasures of living life in a beautiful way. It includes a wide range of projects, from Redd's own townhouse and beach house to projects in Houston, Atlanta, Millbrook, and Locust Valley"—Publisher's web site. Looking back at a tragic event that occurred during his thirteenth year, Frank Drum explores how a complicated web of secrets, adultery, and betrayal shattered his Methodist family and their small 1961 Minnesota community. Showcasing travel photographs by more than 150 of America's top architects and designers, *Travel by Design* is an

inspiring guide to the power of travel to shape and expand our world. Travel by Design reminds us of the beauty and importance of travel, with images of more than 100 locations in 60 countries, from exotic destinations and global cities to adventure travels and all-American escapes. More than 350 photographs take readers on a global journey through cityscapes, ancient civilizations, luxurious resorts, and stunning natural wonders, all seen through the discerning and artistic eyes of today's leading creative talents. The images are sure to inspire dreams of escape, and the 40 pages of insider resources--from favorite hotels and restaurants to secret shopping sources and must-see monuments--will make planning future trips reassuring and easy. An inspirational and informative resource, this volume highlights the preeminence of outstanding design and its importance for every civilization.

River's Edge Shifters
#3 Sometimes the past holds your future...Omega otter shifter Doc loved his adopted son and wanted to protect him from his past. But when the boy's past flings itself at him in the form of a series of letters, Doc is faced with the heart wrenching decision of either ripping open old wounds or keeping unforgivable secrets from the child. Rabbit shifter Levi hates his life as Alpha of his Colony. Put there by birthright and held there by his past, he has no choice: If he leaves, they will kill his one true mate. Rabbits were brutal like that. When the colony is all abuzz with word of a stranger in town, Levi doesn't expect an otter and he certainly doesn't expect the man to be the bearer of both the worst and the best news of his life: His mate was gone and he had a son. And he most definitely doesn't expect to have his rabbit announcing the man as his mate.

Otterly in Love is a sweet with knotty heat M/M shifter mpreg romance featuring an otter shifter looking out for his son, a rabbit shifter who fears he isn't strong enough to fix the wrongs of his path, an evil sheriff who won't stay gone, a boy who in some ways has more to teach his fathers than they have to teach him, true fated love, and an adorable little baby. This is the third book in the River's Edge Shifters series brought to you by the co-writing team of Lorelei M. Hart and Aria Grace and can be read as a stand alone. If you love knotty fun, true love, and your mpreg with heart, one-click today. New York Times Bestseller "I want to rip out every page of this glorious book and hang them on my wall so that I can be surrounded by these incredible women all day long." –Emma

Straub, New York Times bestselling author of *The Vacationers* and *Modern Lovers* Over 100 exceptional and influential women describe how they embraced their creative spirit, overcame adversity, and sparked a global movement of entrepreneurship. Media titans and ceramicists, hoteliers and tattoo artists, comedians and architects—taken together, these profiles paint a beautiful picture of what happens when we pursue our passions and dreams. Sometimes love arrives with a purr...Omega cat shifter Leo needs to get out of city life. He's sick of people trying to rescue him when he shifts. He's no domesticated animal—he's a cat shifter descended from lions for goodness sakes. If only he hadn't been saddled with a recessive gene that made him the least fierce of his clan...and sent him running to the big city. A city he now loathed. It seemed that a move to the country was in order. Alpha human Ron loves his job as the Deputy of Riverview Township, even with his annoying boss, but he needs more out of life than just his career. If only he had figured that out sooner, back when he still turned a few heads. Now he was just The Deputy and no one looked at him as a potential anything. Ron's life is turned completely upside down when Leo moves to town, taking over a fixer upper that was barely standing. There's just something about Leo that has him wanting to both protect and help him. Feline the Love is a sweet with knotty heat M/M shifter mpreg romance featuring a cat who finds more in Riverview Township than just a new home, a human who discovers there is an entire world he never knew about, a real estate bargain that very much isn't one, two men who finally find their place in the world, true fated love, and an adorable little baby. This is the second book in the River's Edge Shifters series brought to you by the co-writing team of Lorelei M. Hart and Aria Grace and can be read as a stand alone. If you love knotty fun, true love, and your mpreg with heart, one-click today. Coming to The Vault used to be fun. An easy way to blow off steam...and get blown. But since a member of the Nicola crew showed up in a display case, I'm on alert. I can't just show up, get off, and go home. There's something about Liam Nicola that has me coming back for more. Now I want to linger. Watch. Protect. With everything else going on in my life, I don't have time for this. TRIGGER WARNING: This book has dark themes which could be upsetting to some readers. Poetry. African & African American Studies. Family reunions are special occasions, a time of connections, reflections, of meeting new members, remembering

those no longer with us, more than a little gossip (a good reason not to miss one if you don't want to be the one talked about!) and (mostly) good-natured kidding, occasional recriminations and grievances aired or confined to knowing side glances, and perhaps most importantly, the chance to pass on and keep alive the history and lore of the family from one generation to the next. Grace C. Ocasio's *FAMILY REUNION* is all of these things, and in reading this book we are privileged guests at just such an event, invited to hear the stories of her relatives across multiple generations. Because this is an account of an African-American family, it is necessarily in part a chronicle of racism and injustice and thus a contribution to the poetry of documentary witness. There are moments of tragedy (a child permanently brain damaged by being dropped by a nurse at birth) and indignity (a woman denied a PhD by Harvard because of her race), but also triumphs (one man becomes a celebrated physician, and many in the family graduate from college and go on to successful professional careers--including the author). These poems speak candidly of the experience of being Black in America. But that is not all that they do. What they reveal most of all is how this one family's story manages to be both uniquely their own and simultaneously universal, because we can all recognize ourselves and our own messy histories in these pages, whatever our race or origin. We've all encountered that uncle, that grandmother in our own families; we've heard the lectures (or given them ourselves) on hair and clothing, behavior and expectations, the suitability of suitors, all the friction at generational boundaries. Now, more than ever, we need to be reminded that we are all one family--however dysfunctional. To say that Ocasio does this with grace may be a pun, but it is also the truth. The book ends with a brief prose account of a family reunion that is hilariously chaotic, leaving the author with "hysteria welling in my throat." Well, that's family for you! But what a treat it is to get to know this one.

Book 5 of the More Than Friends Gay Romance Series Each book may be read as a stand-alone. Reading in sequence is not required.

More Than Friends #1 (Free) More Than Friends #2: Drunk in Love
More Than Friends #3: Choosing Happy More Than Friends #4: Just Stay
More Than Friends #5: Hands On Patton is new to town and hasn't met a lot of people outside of the salon he works at as a massage therapist. He wants a relationship but he's quick to fall in love and even quicker to scare away most men he's

interested in. When he meets an outgoing bartender named Caleb, he is immediately attracted but isn't sure he can date someone that has to flirt for tips all night long. Unfortunately, that's not the worst thing Caleb does to make a living. For mature readers. Gerald's story continues as he finds not one but two alphas to love. This book can be read as a standalone. Ezra has finally decided his big house is just depressing without people living in it. His attempts at finding a sane roommate are scary at first, but he doesn't throw in the towel right away. Gerald is happy for his best friend and former roommate, but he can't afford to pay the full rent on his own. So when he sees an ad for a low-cost room for rent that sounds too good to be true, he wonders if it was meant to be. Tyler is staying in Oak Grove for a job that should only take a few months, but living out of a hotel gets old real fast. Learning about a room for rent in a nice house near town is a perfect short-term. When these three men finally connect, the chemistry between them is undeniable, but Tyler doesn't plan to stay. And what the three of them have together just doesn't feel right when one is missing. Omega Shaken is a sweet and sexy story about two alphas who fall for a sweet omega. You'll enjoy this story if you like knotty heat and adorable babies. For adult readers. ***This short conclusion to the Bayside Omega series does not include shifters as the main characters.*** Casper has always lived up to his name. Just when he meets someone he likes, he gets ghosted. It's starting to get old. As a doctor at one of the most prestigious teaching hospitals in the country, he meets a lot of eligible alphas who are always up for a good time, but never more than that. Until he gets called in to cover a tragic accident that leaves dozens of people injured. That's when Casper meets an alpha who is not only interested in more than a fling but also more than just an omega. Omega on Call is a short and sexy love story about a sweet omega who gets pulled into a love triangle that results in three men falling in love and creating two sweet babies at the end. Rainbow Rowell's Fangirl meets Jenny Han's The Summer I Turned Pretty in this contemporary YA about what it means to be a fan—and what it means to be a friend—when your whole world is in flux. In middle school, everyone was a Fever Dream fan. Now, a few weeks after her high school graduation, Grace Thomas sometimes feels like the only one who never moved on. She can't imagine what she'd do without the community of online fans that share her obsession. Or what her IRL friends would say if they

ever found out about it. Then, one summer night, the unthinkable happens: Grace meets her idol, Jes. What starts out as an elusive glimpse of Fever Dream's world turns into an unlikely romance, and leads her to confront dark, complex truths about herself and the realities of stardom. From the author of *A Song to Take the World Apart*, *Grace and the Fever* is a heart-clutching reminder of what it's like to fall in love—whether it's with a boy or a boy band—and how difficult it is to figure out who you are after you've fallen out of love again. "Grace and The Fever crackles with sharp cultural commentary and deep emotional resonance." —*Bitch Magazine* "Grace and the Fever is a clear-eyed portrait of 'the girls of the internet' . . . a YA novel that does the fangirl justice."—*The Verge* "A wise, bittersweet coming-of-age story for the thinking fangirl." —*Anna Breslaw*, author of *Scarlett Epstein Hates It Here* "Super addictive." —*Goldy Moldavsky*, *New York Times* bestselling author of *Kill the Boy Band* "A smart, warm, feminist ode to anyone who has ever been eighteen, made a mess of their own life, spent their late night hours on Tumblr, or loved a band so much it hurt." —*Katie Coyle*, author of *Vivian Apple at the End of the World* Knox has carried a heart full of guilt and regret for more than a decade. When the man he loved was killed just months after they met, he vowed to never love like that again. The pain was too raw, but that led him to Michael's brothers, Mitch and Justin. He's worked for them as a bouncer at The Fallen Nut for a long time, sharing their commitment to keep omegas safe--the way he wasn't able to for Michael. Sam has information that will break Knox's heart. But he deserves to know the truth. When a mysterious omega moves to Oak Grove and comes in looking for a job, Knox is intrigued. But when that omega has a message from Michael, Knox's world is turned upside down. Forever. Omega Neat is a sweet and sexy mpreg about two men who struggle to open up but eventually find the happiness they've been searching for. This story is full of knotty heat and a sweet baby to wrap it all up in a bow. The Men of the Vault series continues with Johnny's story. After watching all his friends pair up and move on, Johnny doesn't have a lot going on in his life. He goes to work at The Vault, running the place with Asher and make sure the clients are safe. But safety can be a relative thing. Ronin is a good man. Well controlled and a prominent member of society in all aspects of his life, except for one. His only vice, a kink if you will, is that he likes to play rough. The Vault has always

been a safe haven for him to fulfill his needs without judgment or fear. But that all changed when the man he was with had a psychotic episode and ran screaming from the room, completely naked and threatening to take his own life. What happened between Mateo and Ronin wasn't Ronin's fault. Mateo was dealing with a lot of demons and wasn't ready for the kind of scene Ronin needs. But Ronin can't forgive himself for what he did. He promises to never hurt another person again...but by denying the need inside him, he risks losing the carefully constructed walls of control in all the other areas of his life. Johnny is the only man who can break through to him before Ronin loses it all. But will it be enough for either man to get what they need? An alpha omega Mpreg non-shifter romance Andy's ready to find his alpha, but first, he needs to lose his v-card to eliminate the stress of not knowing what the experience is like. He finds himself at a local club known for sexy alphas looking for a good time. But when something gets slipped into his drink, Andy becomes the target of a group of dangerous alphas. Jude is out celebrating with a friend when he spies the gorgeous omega, Andy. The attraction is definitely there, and when Andy is escorted to the back by a group of men, warning bells go off in Jude's head. When he attempts to rescue Andy, loss of memory and a confused state leave Jude as the alpha taking the blame for Andy's assault. As fate would have it, Andy takes a job with Jude as his project manager, and even after everything is explained, another issue presents itself. The two men are spending a tremendous amount of time in close proximity of each other, and Andy is going into heat. When another alpha in the company takes interest, jealousy and paranoia take over. The two of them struggle with their hidden desires as fate works hard to bring them together. Omega's First tells the story of a virgin omega who is rescued from an attempted assault and the mistaken identity of the alpha who saves him. Disclaimer: This book contains sexually explicit adult content that includes sex scenes between an alpha and his omega. The book is intended only for adults who enjoy male-male sexual themes. The book is approximately 28,000 words in length and does not end in a cliffhanger. Trigger Warning: Attempted sexual assault. m/m/m Steve, Joey and Adam's story.... Steve and Joey have a perfect life. They're happy with the home they've built together and have no plans to change anything. When Joey runs into Adam, a past coworker from his days at a male brothel, old feelings

are stirred up. Adam has been living on the streets, barely getting by, but not without resorting to a vice he thought he'd long kicked. He's losing hope and afraid to trust anyone when Joey walks back into his life. While searching for a missing friend, Joey finds Adam in a park. Sick and alone, Joey can't leave him. He takes him home, knowing he and Steve can help him find what he's looking for. It's awkward at first, but feelings between the three men quickly develop. Promises for a future are made but Adam has no intention of being around long enough to see them fulfilled. Book 10 of the More Than Friends series Books 1 and 2 of the More Than Friends series. Sometimes love can be found in your backyard. Literally. Zephyr has a plan in life. He is going to work sixteen-hour days for as long as possible so he can earn enough money to retire early. Then he'll relax a little and pursue more "personal" endeavors. Despite being in his mid twenties, he's never dated. At all. That's actually helpful because when it comes to alphas, he doesn't know what he's missing without one. Axel is adding a pool and club house to the empty lot next adjacent to Glass Bay Apartments. This is the first major project his company has taken on since his life fell apart--back when his omega left with their kids and he began an emotional downward spiral. But he's focused on work and staying as busy as possible. That's the only way he'll survive. At least until he runs into a sleepy omega who just wants a few hours of rest without the sound of jack hammers right outside his window. After that...both of their plans are irrevocably changed. Courtyard Omega is sweet and sexy romance about a quirky omega and the strong alpha who can't quit him. Set in the Melrose Place-esque Glass Bay Apartments, you'll meet a whole gang of guys looking for love and trying to complete their families. For adult readers. Tired of moping around after the breakup of his long term girlfriend, Ryan knew he needed a hookup to get him out of his funk. When he met Drea, he hoped she might be the one. But when he felt more chemistry with her gay cousin, Zach, Ryan felt more confused and terrified than he had in his life. He wasn't gay but he wanted to be with Zach. How could it possibly work? Book one of the More Than Friends series. One of Each (Omega House #4) While on a mountain bike ride, Gunnar is excited to discover that his favorite state park has a hot new ranger manning the check-in station. Despite being an alpha himself, Gunnar has always been drawn to both alphas and omegas, so flirting with sexy alpha, Collin Rich, comes

easily. Sean has been living with his brother at Omega House since they were homeless teens. Now wanting to branch out on his own, Sean is trying to earn a photography internship through the college program he's in. But when his attempt to take a photo of a rare still-life goes wrong, he finds himself swept into the arms of Gunnar and the new ranger, Collin. Collin can't explain why, but he's developed a fascination with the two men after being forced into a life-threatening situation with them. Now his thoughts are consumed with Gunnar and Sean and how he wishes they could all be together. When Sean makes a bad decision that leads him to a dangerous situation, Collin and Gunnar become his knights in shining armor just in the nick of time. One of Each is a triad love story between two alphas and an omega they rescue. Disclaimer: This book contains sexually explicit adult content that includes sex scenes between two alphas and an omega. The book is intended only for readers over the age of 18 who enjoy male-male-male sexual themes. The book is approximately 29,000 words in length and does not end in a cliffhanger. What began as a small mining camp during the Colorado Silver Boom of the late nineteenth century has since become the preferred getaway of the world's elite. Treasured for what's above ground rather than below, Aspen, Colorado has a storied history almost as dense as the directory of A-listers who have adopted the jewel of Pitkin County as their second home, or who have settled in its slopes indefinitely. With an introduction from longtime resident Aerin Lauder, Aspen celebrates and pays homage to the stark glamour, the working-class history, and the romance of the virtually untouched landscape that gives the town the unique charisma that continues to draw new devotees with each season. Exploring the rustic-chic atmosphere of the Hotel Jerome, the architectural excellence of Herbert Bayer's restored Wheeler Opera House, and local culture found at Schlomo's Deli & Grill, to name a few, this deluxe volume is brought to life with stunning current and historical imagery capturing the prodigious evolution of this mountain town over the last century. Book 7 of the More Than Friends Gay Romance Series Each book may be read as a stand-alone. Reading in sequence is not required. More Than Friends #1 (Free) More Than Friends #2: Drunk in Love More Than Friends #3: Choosing Happy More Than Friends #4: Just Stay More Than Friends #5: Hands On More Than Friends #6: Best Chance Brad spends his days swinging a hammer and his weekend nights pouring drinks just to

keep his nose clean. At only twenty-one, he's already had enough trouble to last him a lifetime. But when he realizes the boy upstairs has new injuries that coincide with loud shouting matches from that apartment, he knows he has to do something to help. For Mature Readers Indie Walker started college with a basketball scholarship and a plan to stay focused on his studies. His roommate and best friend, Daniel, is one of the most popular guys on the wrestling team. When a power outage during a winter storm forces them to get closer than ever before just to survive the night, their relationship changes forever. Neither are gay but the physical chemistry they have is undeniable. Unfortunately, Daniel's issues at home might be too severe for them to overcome. Leon had no idea what he was signing up for when he became the live in property manager at Glass Bay Apartments. As the omega twin in the family, he wasn't usually the guy in charge. When his alpha twin brother, Lucius, bought the complex, Leon was just happy to help out. Neither of them had much experience running a multi-unit building, but it was an investment in their futures and they were committed to making it work. The everyday challenges weren't so bad. But when a hot alpha moved in and needed some special accommodations for his wheelchair, the brothers realized they had something to offer that they never expected before. Not only to the sexy new tenant...but to each other. For mature readers. Evie was pregnant and forced to give up the baby. But she can't just leave the child with strangers, especially when she thinks the baby is being neglected. With her boyfriend waiting in the truck, Evie snatches the baby and convinces him to drive her to Montreal where she plans to start a new life with her child. But when the baby won't eat and she and Justin argue, she ends up alone in a small town. As the baby becomes sicker, Evie must decide whether to admit her mistake and turn herself in, or to keep running. Also available in Spanish. Warren has a reputation for being a playboy. The kind of alpha who always has a hot omega or two on his arm and a fast-paced lifestyle. When he becomes an instadad, he has no idea what to do with this baby dropped in his lap. Casey has always loved babies. When Farron asks him to take on a nanny position for a prominent client, he's excited for the change of pace. What he doesn't expect is just how difficult it will be to work with a man like Warren...while keeping focused on the baby. For mature readers. Book 6 of the Omega House series. Seth was thrilled when his brother found not just one

mate but two. And he's genuinely happy for Nathan and Dodge. But with all the new relationships around him, his loneliness is taking a toll. Seth wants to find a mate of his own, but the friendly attraction he once felt toward Jason just doesn't feel right anymore. He doesn't think he's met his mate yet, but the urges inside him are getting stronger and stronger with each passing day. One thing is clear. He's desperate for an Alpha's touch. For readers 18+ who enjoy knotty fun in a nonshifter omegaverse. Cory Michaels learned a long time ago that the kind of guy he's interested in is never the kind of guy he should be with. Which is why he only allows himself the occasional fling. Very occasional. And always with a woman. That's the only way to protect his heart. Lane Forbes has gotten into the habit of going home with a different guy every night. That's easy to do when you work in a hotel bar that caters to traveling businessmen. Life is simple and spontaneous and as fun as he imagined his thirties to be. But when Lane offers to hook up with a tech guy who comes across as barely more than a virgin, he has no idea what he's signing up for. Suddenly, his one night standard is turning to a very "life long lust."
