Organizational Behavior Aug 20 2019 "Why did we decide to write this text? Well, for starters, organizational behavior (OB) remains a fascinating topic that everyone can relate to (because everyone either has worked or is going to work in the future). What makes people effective at their job? What makes them want to stay with their employer? What makes work enjoyable? Those are all fundamental questions that organizational behavior research can help answer. However, our desire to write this text also grew out of our own experiences (and frustrations) teaching OB courses using other texts. We found that students would end the semester with a common set of questions that we felt we could answer if given the chance to write our own text. With that in mind, *Organizational Behavior: Improving Performance and Commitment in the Workplace* was written to answer the following questions"--
