But Steve’s refusal to give in to those forces, and his resolve to create a better life, shows a courage and resilience that is an example for many of us to follow.” —Stedman Graham, author, educator

Home is the place where our life stories begin. A Chance in the World is the astonishing true story of a boy destined to become a man of resilience determination and vision. Down in the dank basement, amidst my moldy, hoarded food and beloved worm-eaten books, I dreamed that my real home, the place where my story had begun, was out there somewhere, and one day I was going to find it. Taken from his mother at age three, Steve Klakowicz lives a terrifying existence. Caught in the clutches of a cruel foster family and subjected to constant abuse, Steve finds his only refuge in a box of books given to him by a kind stranger. In these books, he discovers new worlds he can only imagine and begins to hope that one day he might have a different life, that one day he will find his true home. A fair-complexioned boy with blue eyes, a curly Afro, and a Polish last name, he is determined to unravel the mystery of his origins and find his birth family. Armed with just a single clue, Steve embarks on an extraordinary quest for his identity, only to find that nothing is as it appears. Through it all, Steve’s story teaches us that no matter how broken our past, no matter how great our misfortunes, we have it in us to create a new beginning and to build a place where love awaits. A companion to Stormie Omartian’s brand-new book, Lead Me, Holy Spirit, this study guide helps readers to further explore God’s Word and His promises. covering all aspects of pediatric critical care medicine. It fills a void that exists in learning resources currently available to pediatric critical care practitioners. The major textbooks are excellent references, but do not allow concise reading on specific topics and are not intended to act as both text and study guide. There are also several handbooks available, but these are usually written for general pediatric residents and lack the advanced physiology and pathophysiology required for the higher level pediatric critical care practitioner. The Westminster Confession is a foundational document for countless churches worldwide. Churches of all sizes claim it as their confession, and hold to it with varying degrees of closeness. However, how many people actually have any real knowledge of the Confession or feel it is only of relevance to their church leaders? Joey Pipa's study book is the ideal tool for all Christians who seek to gain a better understanding of their faith through exploring an integral cornerstone of Reformed Christianity. Pipa has produced an accessible, user-friendly study aid, which illuminates the Westminster Confession for all Christians, showing it is not just a document for intellectual theologians, but is as relevant in our own lives today, as when it was written. Also includes The Westminster Confession of Faith, The Larger Catechism, The Shorter Catechism, The Belgic Confession, The Heidelberg Catechism and the Canons of Dordt.

And now you look around feeling, thinking, looking, and acting basically the same as the next guy. You can’t help but feel trapped and hemmed in. Unfortunately, many try to break out of the suffocating sameness by making the same bad decisions over and over again. This Breakaway DVD and study guide are designed to renovate your thinking by illustrating four core beliefs that dictate the decisions shaping the outcome of your life. This study will help you break out of the crowd and away from bad patterns for good! Break out of the crowd. None of us sets out to be like everybody else, but it happens. Life begins to squeeze us into a mold until one day we wake up feeling trapped and hemmed in. Unfortunately many people think that the answer is to run away, but they only end up making the same bad decisions over and over again. So how do you break the cycle and break out of the crowd? As India starts to prosper, the residents of Annawadi are electric with hope. Abdul, an enterprising teenager, sees “a fortune beyond counting” in the recyclable garbage that richer people throw away. Meanwhile Asha, a woman of formidable ambition, has identified a shadier route to the middle class. With a little luck, her beautiful daughter, Annawadi’s “most-everything girl,” might become its first female college graduate. And even the poorest children, like the young thief Kalu, feel themselves inching closer to their dreams. But then Abdul is falsely accused in a shocking tragedy; terror and global recession rock the city; and suppressed tensions over religion, caste, sex, power, and economic envy turn brutal. With intelligence, humor, and deep insight into what connects people to one another in an era of tumultuous change, *Behind the Beautiful Forevers*, based on years of uncompromising reporting, carries the reader headlong into one of the twenty-first century’s hidden worlds—and into the hearts of families impossible to forget. **WINNER OF:** The PEN Nonfiction Award • The Los Angeles Times Book Prize • The American Academy of Arts and Letters Award • The New York Public Library’s Helen Bernstein Book Award **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** The New Yorker • People • Entertainment Weekly • The Wall Street Journal • The Boston Globe • The Economist • Financial Times • Foreign Policy • The Seattle Times • The Nation • St. Louis Post-Dispatch • The Denver Post • Minneapolis Star Tribune • The Week • Kansas City Star • Slate • Publishers Weekly This book covers Part 1-Individuals, one of the three exams necessary to become an enrolled agent.
