#1 NEW YORK TIMES BESTSELLER • David Brooks challenges us to rebalance the scales between the focus on external success—"résumé virtues"—and our core principles. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST With the wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now, in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world's greatest thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin learned reticence and the logic of self-discipline, the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confessionals, *The Road to Character* provides an opportunity for us to rethink our priorities, and strive to build rich inner lives marked by humility and moral depth. "Joy," David Brooks writes, "is a byproduct experienced by people who are aiming for something else. But it comes." Praise for *The Road to Character* "A hyper-readable, lucid, often richly detailed human story."—The New York Times Book Review "This profound and eloquent book is written with moral urgency and philosophical elegance."—Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* "A powerful, haunting book that works its way beneath your skin."—The Guardian "Original and eye-opening . . . Brooks is a normative version of Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts."—USA Today Examines the pain middle-aged adults face when their parents pass away and explores the common feelings of guilt, sorrow and anger experienced as a result of their loss. Original. In season four of Darren Star's hit TV *Land* series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). *Marriage Vacation* is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR *Marriage Vacation* "Marriage Vacation has everything you want in a novel: fascinating characters, drama, secrets,

emotional reckonings, and far-flung adventure. If you love Younger, you'll love this book. If you've never watched an episode of Younger (you should change that), you'll still love this book. And just wait until you read page 58!" —Darren Star, creator of *Sex and The City* and *Younger* "This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own." —Pamela Redmond Satran, author of *Younger* "Brooks' chronological and cross-disciplinary leaps are thrilling." —The New York Times Book Review "Horse isn't just an animal story—it's a moving narrative about race and art." —TIME A discarded painting in a junk pile, a skeleton in an attic, and the greatest racehorse in American history: from these strands, a Pulitzer Prize winner braids a sweeping story of spirit, obsession, and injustice across American history Kentucky, 1850. An enslaved groom named Jarret and a bay foal forge a bond of understanding that will carry the horse to record-setting victories across the South. When the nation erupts in civil war, an itinerant young artist who has made his name on paintings of the racehorse takes up arms for the Union. On a perilous night, he reunites with the stallion and his groom, very far from the glamor of any racetrack. New York City, 1954. Martha Jackson, a gallery owner celebrated for taking risks on edgy contemporary painters, becomes obsessed with a nineteenth-century equestrian oil painting of mysterious provenance. Washington, DC, 2019. Jess, a Smithsonian scientist from Australia, and Theo, a Nigerian-American art historian, find themselves unexpectedly connected through their shared interest in the horse—one studying the stallion's bones for clues to his power and endurance, the other uncovering the lost history of the unsung Black horsemen who were critical to his racing success. Based on the remarkable true story of the record-breaking thoroughbred Lexington, *Horse* is a novel of art and science, love and obsession, and our unfinished reckoning with racism. Based on the story of King David, traces his journey from an obscure shepherd to a hero and king before his fall. World renowned pediatricians T. Berry Brazelton and Joshua Sparrow see discipline as a parent's gift to a child. By following the doctors' unique approach, which emphasizes teaching over punishment, parents will find effective solutions for common behavior problems. Not only will parents feel more confident and at ease but they will also experience the joy of raising children who learn to discipline themselves. The vital advice covers six stages of discipline, the power of consequences, ways to encourage moral development and empathy, dealing with misbehavior (from biting and fighting to cheating, lying and using foul language), and special disciplinary challenges (including academic pressure, illness, and digital technology). This book examines tragedy and tragic philosophy from the Greeks through Shakespeare to the present day. It explores key themes in the links between suffering and ethics through postcolonial literature. Ato Quayson reconceives how we think of World literature under the singular and fertile rubric of tragedy. He draws from many key works – *Oedipus Rex*, *Philoctetes*, *Medea*, *Hamlet*, *Macbeth*, and *King Lear* – to establish the main contours of tragedy. Quayson uses Shakespeare's *Othello*, Chinua Achebe, Wole Soyinka, Tayeb Salih, Arundhati Roy, Toni Morrison, Samuel Beckett and J.M. Coetzee to qualify and expand the purview and terms by which Western tragedy has long been understood. Drawing on key texts such as *The Poetics* and *The Nicomachean Ethics*, and augmenting them with Frantz Fanon and the Akan concept of *musuo* (taboo), Quayson formulates a supple, insightful new theory of ethical choice and the impediments against it. This is a major book from a leading critic in literary studies. This story asks several questions. What if Mr. Darcy came into Meryton with the idea of seeking a wife and was first attracted to Jane Bennet? What if Jane Bennet was not a sweet, kind young woman everyone thought she was? How would things play out for Darcy and Elizabeth when he found out his error after he was engaged to Jane? Cory runs into a man named Nick while out for a walk, and he unexpectedly asks her to come with him to a party at a high-end club in London. Everything about the place is otherworldly to Cory. She can't help falling for this attractive man after spending such a wonderful time with him, but she has a painful past that prevents her from moving forward with a new romance. He shows up the next day to ask if she'll give him a try. She's loath to get hurt by falling in love all over again, yet she finds herself irresistibly attracted to this man... Accompanys: 9780073378763 . #1 NEW YORK TIMES BESTSELLER With unequalled insight and brio, New York Times columnist David Brooks has long explored and explained the way we live. Now Brooks turns to the building blocks of human flourishing in a multilayered, profoundly illuminating work grounded in everyday life. This is the story of how success happens, told through the lives of one composite American couple, Harold and Erica. Drawing on a wealth of current research from numerous disciplines, Brooks takes Harold and Erica from infancy to old age, illustrating a fundamental new understanding of human nature along the way: The unconscious mind, it turns out, is not a dark, vestigial place, but a creative one, where most of

the brain's work gets done. This is the realm where character is formed and where our most important life decisions are made—the natural habitat of *The Social Animal*. Brooks reveals the deeply social aspect of our minds and exposes the bias in modern culture that overemphasizes rationalism, individualism, and IQ. He demolishes conventional definitions of success and looks toward a culture based on trust and humility. *The Social Animal* is a moving intellectual adventure, a story of achievement and a defense of progress. It is an essential book for our time—one that will have broad social impact and will change the way we see ourselves and the world.

Death of an American Beauty is the third in Mariah Fredericks's compelling series, set in Gilded Age New York, featuring Jane Prescott. Jane Prescott is taking a break from her duties as lady's maid for a week, and plans to begin it with attending the hottest and most scandalous show in town: the opening of an art exhibition, showcasing the cubists, that is shocking New York City. 1913 is also the fiftieth anniversary of Lincoln's Emancipation Proclamation speech, and the city's great and good are determined to celebrate in style. Dolly Rutherford, heiress to the glamorous Rutherford's department store empire, has gathered her coterie of society ladies to put on a play—with Jane's employer Louise Tyler in the starring role as Lincoln himself. Jane is torn between helping the ladies with their costumes and enjoying her holiday. But fate decides she will do neither, when a woman is found murdered outside Jane's childhood home—a refuge for women run by her uncle. Deeply troubled as her uncle falls under suspicion and haunted by memories of a woman she once knew, Jane—with the help of old friends and new acquaintances, reporter Michael Behan and music hall pianist Leo Hirschfeld—is determined to discover who is making death into their own twisted art form.

The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness columnist Arthur Brooks. Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs. What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. *From Strength to Strength* is the result, a practical roadmap for the rest of your life. Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness. Read this book and you, too, can go from strength to strength. Never HIGHLIGHT a Book Again

Accompanys: 9780521673761 An award-winning Black feminist music critic takes us on an epic journey through radical sound from Bessie Smith to Beyoncé. Daphne A. Brooks explores more than a century of music archives to examine the critics, collectors, and listeners who have determined perceptions of Black women on stage and in the recording studio. How is it possible, she asks, that iconic artists such as Aretha Franklin and Beyoncé exist simultaneously at the center and on the fringe of the culture industry? *Liner Notes for the Revolution* offers a startling new perspective on these acclaimed figures—a perspective informed by the overlooked contributions of other Black women concerned with the work of their musical peers. Zora Neale Hurston appears as a sound archivist and a performer, Lorraine Hansberry as a queer Black feminist critic of modern culture, and Pauline Hopkins as America's first Black female cultural commentator. Brooks tackles the complicated racial politics of blues music recording, song collecting, and rock and roll criticism. She makes lyrical forays into the blues pioneers Bessie Smith and Mamie Smith, as well as fans who became critics, like the record-label entrepreneur and writer Rosetta Reitz. In the twenty-first century, pop superstar Janelle Monáe's liner notes are recognized for their innovations, while celebrated singers Cécile McLorin Salvant, Rhiannon Giddens, and Valerie June take their place as cultural historians. With an innovative perspective on the story of Black women in popular music—and who should rightly tell it—*Liner Notes for the Revolution* pioneers a long overdue recognition and celebration of Black women musicians as radical intellectuals. "There's a right way, then there's the wrong way. Nobody knows that better than police captain Duncan MacLachlan. He has served and protected for years without bending to a middle ground he doesn't believe in. And he's not about to change. Certainly not for stubborn--and sexy--court advocate Jane Brooks. Her shades-of-gray view of the world clashes with his black-and-white one. Then a mission to save an at-risk teen has Jane's life on the line. Now she and Duncan must join forces despite their differences--and the flaring attraction that's too hot to ignore. It's Duncan's toughest challenge yet. Because keeping Jane safe is one thing ... and keeping her out of his arms is another"--Publisher. "An important new translation [of] a bona fide

canonical classic hiding in plain sight . . . With Mr. Moore's vigorous and companionable translation, the book is now here for everyone to see."—The Wall Street Journal The timeless masterpiece from Alessandro Manzoni, the father of modern Italian literature, *The Betrothed* receives its first new English-language translation in fifty years, hailed as "a landmark literary occasion" by Jhumpa Lahiri. *The Betrothed* is a cornerstone of Italian culture, language, and literature. Published in its final form in 1842, *The Betrothed* has inspired generations of Italian readers and writers. Giuseppe Verdi composed his majestic Requiem Mass in honor of Manzoni. Italo Calvino called the novel "a classic that has never ceased shaping reality in Italy" while Umberto Eco praised its author as a "most subtle critic and analyst of languages." *The Betrothed* has been celebrated by Primo Levi and Natalia Ginzburg, and is one of Pope Francis's favorite books. But, until now, it has remained relatively unknown to English readers. In the fall of 1628, two young lovers are forced to flee their village on the shores of Lake Como after a powerful lord prevents their marriage, plunging them into the maelstrom of history. Manzoni draws on actual people and events to create an unforgettable fresco of Italian life and society. In this greatest of historical novels, he takes the reader on a journey through the Spanish occupation of Milan, the ravages of war, class tensions, social injustice, religious faith, and a plague that devastates northern Italy. But within Manzoni's epic tale, readers will also hear powerful echoes of our own day. Michael F. Moore's dynamic new translation of *The Betrothed* brings to life Manzoni's timeless literary masterpiece. Forging a deep friendship with a Wampanoag chieftain's son on the Great Harbor settlement where her minister father is working to convert the tribe, Bethia follows his subsequent ivy league education and efforts to bridge cultures among the colonial elite. By the Pulitzer Prize-winning author of *March*. Reprint. *Family Communication: Cohesion and Change* encourages students to think critically about family interaction patterns and to analyze them using a variety of communication theories. Using a framework of family functions, current research, and first-person narratives, this text emphasizes the diversity of today's families in structure, ethnic patterns, gender socialization, and developmental experiences. New for the tenth edition are expanded pedagogical features to improve learning and retention, as well as updates on current theory and research integrated throughout the chapters for timely analysis and discussion. Cases and research featured in each chapter provide examples of concepts and themes, and a companion website offers expanded resources for instructors and students. On the book's companion website, www.routledge.com/cw/galvin, instructors will find a full suite of online resources to help build their courses and engage their students, as well as an author video introducing the new edition: Course Materials Syllabi & Suggested Calendars Course Projects & Paper Examples Essay Assignments Test/Quiz Questions and Answer Keys Case Studies in Family Communication Family Communication Film and Television Examples Family Communication in Literature Examples Chapter Outlines Detailed Outlines Discussion Questions Case Study Questions Sample Chapter Activities Chapter PowerPoint Slides From the author of 'The Boy' comes a novel like no other. Think of it as a riddle that you need to solve. It will literally keep you guessing from beginning to end. Don't skip a word or just might miss the answer. Dust off your thinking cap and give it your best shot. 'The Jane Brooks Story' is the first novel in the 'Who am I?' series. Never HIGHLIGHT a Book Again! Accompanys: 9780077423155 . *Physical Biology of the Cell* is a textbook for a first course in physical biology or biophysics for undergraduate or graduate students. It maps the huge and complex landscape of cell and molecular biology from the distinct perspective of physical biology. As a key organizing principle, the proximity of topics is based on the physical concepts that This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. *Negotiating Nursing* explores how the Queen Alexandra's Imperial Military Nursing Service (Q.A.s) salvaged their soldier-patients within the sensitive gender negotiations of what should and could constitute nursing work and where that work could occur. The book argues that the Q.A.s, an entirely female force during the Second World War, were essential to recovering men from the battlefield and for the war, despite concerns about women's presence on the frontline. Using personal testimony the book maps the developments in nurses' work as they created a legitimate space for themselves in war zones and established their position as the expert at the bedside. Yet, despite the acknowledgement of nurses' vital role in the medical service, their position was gendered. As the women of Britain were returned to the home post-war, it was the military nurses' womanhood that stymied their considerable skills from being transferred to the new welfare state. "With glorious fragrances, textures, and bursts of color, flowers breathe life into any room no matter what the season. Now you can achieve professional-looking results year-round with step-by-step instructions that take out the guess work"--Jacket flap. Never HIGHLIGHT a Book Again! At 95, the legendary Mel Brooks continues to set the standard for comedy across television, film, and the stage. Now, for the first time, this EGOT (Emmy, Grammy, Oscar, Tony) winner shares his story in his own words. 'Not since the Bible have I read anything so powerful and poignant. And to boot - it's a lot funnier!' - M. Brooks For anyone who loves American comedy, the long wait is over. Here are the never-before-told, behind-the-scenes anecdotes and remembrances from a master storyteller, filmmaker, and creator of all things funny. All About Me! charts Mel Brooks's meteoric rise from a Depression-era kid in Brooklyn to the recipient of the National Medal of Arts. Whether serving in the United States Army in World War II, or during his burgeoning career as a teenage comedian in the Catskills, Mel was always mining his experiences for material, always looking for the perfect joke. His iconic career began with Sid Caesar's Your Show of Shows, where he was part of the greatest writers' room in history, which included Carl Reiner, Neil Simon, and Larry Gelbart. After co-creating both the mega-hit 2000 Year Old Man comedy albums and the classic television series Get Smart, Brooks's stellar film career took off. He would go on to write, direct, and star in The Producers, The Twelve Chairs, Blazing Saddles, Young Frankenstein, Silent Movie, High Anxiety, and Spaceballs, as well as produce groundbreaking and eclectic films, including The Elephant Man, The Fly, and My Favorite Year. Brooks then went on to conquer Broadway with his record-breaking, Tony-winning musical, The Producers. All About Me! offers fans insight into the inspiration behind the ideas for his outstanding collection of boundary-breaking work, and offers details about the many close friendships and collaborations Brooks had, including those with Sid Caesar, Carl Reiner, Gene Wilder, Madeleine Kahn, Alfred Hitchcock, and the great love of his life, Anne Bancroft. Filled with tales of struggle, achievement, and camaraderie (and dozens of photographs), readers will gain a more personal and deeper understanding of the incredible body of work behind one of the most accomplished and beloved entertainers in history. "If you wanted a poem," wrote Gwendolyn Brooks, "you only had to look out of a window. There was material always, walking or running, fighting or screaming or singing." From the life of Chicago's South Side she made a forceful and passionate poetry that fused Modernist aesthetics with African-American cultural tradition, a poetry that registered the life of the streets and the upheavals of the 20th century. Starting with A Street in Bronzeville (1945), her epoch-making debut volume, The Essential Gwendolyn Brooks traces the full arc of her career in all its ambitious scope and unexpected stylistic shifts. "Her formal range," writes editor Elizabeth Alexander, "is most impressive, as she experiments with sonnets, ballads, spirituals, blues, full and off-rhymes. She is nothing short of a technical virtuoso." That technical virtuosity was matched by a restless curiosity about the life around her in all its explosive variety. By turns compassionate, angry, satiric, and psychologically penetrating, Gwendolyn Brooks's poetry retains its power to move and surprise. About the American Poets Project Elegantly designed in compact editions, printed on acid-free paper, and textually authoritative, the American Poets Project makes available the full range of the American poetic accomplishment, selected and introduced by today's most discerning poets and critics. Winner of the Pulitzer Prize--a powerful love story set against the backdrop of the Civil War, from the author of The Secret Chord. From Louisa May Alcott's beloved classic Little Women, Geraldine Brooks has animated the character of the absent father, March, and crafted a story "filled with the ache of love and marriage and with the power of war upon the mind and heart of one unforgettable man" (Sue Monk Kidd). With "pitch-perfect writing" (USA Today), Brooks follows March as he leaves behind his family to aid the Union cause in the Civil War. His experiences will utterly change his marriage and challenge his most ardently held beliefs. A lushly written, wholly original tale steeped in the details of another time, March secures Geraldine Brooks's place as a renowned author of historical fiction. Drawing on hundreds of studies in the last 20 years, the new edition of Family Policy Matters brings a fresh perspective to family policy, underscoring why it is needed, and outlining how policymaking should be approached. Author Karen Bogenschneider proposes a theoretical framework for conceptualizing policy issues in a way that holds the potential for overcoming controversy and identifying common ground. This new edition includes updates on the most current research, including: *new issues that have changed the political landscape for families (e.g. strengthening marriage initiative, same-sex marriage); *an updated section on state statutes or Governor's orders that require family impact analysis; *a new chapter on the history of family policy in this century; *a new appendix on how to conduct a family impact analysis; and *two new case studies on writing family policy newsletters for state policymakers and teaching family impact analysis to the general public. *Instructor's Manual with sample syllabi for both undergraduate and graduate courses, suggested readings, assignments, and class activities, discussion questions, daily lesson plans, instructor insights, special presentations to enrich one's class, and PowerPoint slides. The targeted audience includes researchers interested in seeing their research and ideas acted upon in the policy world; family professionals who work to connect research and policymaking; and instructors interested in making family policy come alive for undergraduate and graduate students. This book is an

ideal textbook for family policy courses. Enter the mind of French literary giant Honoré de Balzac through a study of nine of his greatest characters and the novels they inhabit. Balzac's Lives illuminates the writer's life, era, and work in a completely original way. Balzac, more than anyone, invented the nineteenth-century novel, and Oscar Wilde went so far as to say that Balzac had invented the nineteenth century. But it was above all through the wonderful, unforgettable, extravagant characters that Balzac dreamed up and made flesh—entrepreneurs, bankers, inventors, industrialists, poets, artists, bohemians of both sexes, journalists, aristocrats, politicians, prostitutes—that he brought to life the dynamic forces of an era that ushered in our own. Peter Brooks's Balzac's Lives is a vivid and searching portrait of a great novelist as revealed through the fictional lives he imagined. The Process of Parenting describes the many ways parents and caregivers can translate their love for children into effective parenting behavior. The book has strong emphasis on the development process in terms of children's and parents' growth as complex individuals, and in the changing nature of their relationships over time. Because parents and children are distinct individuals, the book includes a problem-solving approach that can help parents arrive at solutions that fit them, their children, and their life circumstances. The ninth edition includes new first person narrative boxes and more emphasis on social context, new evidence-based parenting programs, and international parenting. COLBY AGENT OR NOT, HE DIDN'T DARE CROSS THE LINE WITH THIS WOMAN-NOT YET Former U.S. marshal Shane Allen made one mistake on the job, and it cost him his reputation. Now he had a second chance working an inside case for the newly rebuilt Colby Agency. And nothing, certainly not some tagalong woman, was going to ruin it. After her sister's murder, justice was all that Mary Jane Brooks wanted. And Shane was crucial to nailing those responsible, even if he did send her pulse racing. Keeping things professional was downright impossible, especially when Mary Jane kept putting out conflicting signals. If Shane's instincts were right, this fragile beauty was a virgin in the worst kind of trouble-but was he ready to take it all the way? A picture-book biography of celebrated poet Gwendolyn Brooks, the first Black person to win the Pulitzer Prize A 2021 Coretta Scott King Book Award Illustrator Honor Book A 2021 Robert F. Sibert Informational Honor Book A 2021 Association of Library Service to Children Notable Children's Book Gwendolyn Brooks (1917–2000) is known for her poems about “real life.” She wrote about love, loneliness, family, and poverty—showing readers how just about anything could become a beautiful poem. Exquisite follows Gwendolyn from early girlhood into her adult life, showcasing her desire to write poetry from a very young age. This picture-book biography explores the intersections of race, gender, and the ubiquitous poverty of the Great Depression—all with a lyrical touch worthy of the subject. Gwendolyn Brooks was the first Black person to win the Pulitzer Prize, receiving the award for poetry in 1950. And in 1958, she was named the poet laureate of Illinois. A bold artist who from a very young age dared to dream, Brooks will inspire young readers to create poetry from their own lives. From the author of 'The Boy' comes a novel like no other. Think of it as a riddle that you need to solve. It will literally keep you guessing from beginning to end. Don't skip a word or just might miss the answer. Dust off your thinking cap and give it your best shot. 'The Jane Brooks Story' is the first novel in the 'Who am I?' series. What would you do if the people who are meant to love and protect you the most, were monsters? How far would you go to escape the very worst kind of punishments imaginable? What would be your breaking point? Over the course of less than a century, the U.S. transformed from a nation that excluded Asians from immigration and citizenship to one that receives more immigrants from Asia than from anywhere else in the world. Yet questions of how that dramatic shift took place have long gone unanswered. In this first comprehensive history of Asian exclusion repeal, Jane H. Hong unearths the transpacific movement that successfully ended restrictions on Asian immigration. The mid-twentieth century repeal of Asian exclusion, Hong shows, was part of the price of America's postwar empire in Asia. The demands of U.S. empire-building during an era of decolonization created new opportunities for advocates from both the U.S. and Asia to lobby U.S. Congress for repeal. Drawing from sources in the United States, India, and the Philippines, Opening the Gates to Asia charts a movement more than twenty years in the making. Positioning repeal at the intersection of U.S. civil rights struggles and Asian decolonization, Hong raises thorny questions about the meanings of nation, independence, and citizenship on the global stage. (Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No Way * Six.
